2.1 Merger and Reorganization of Subsidiary. Promptly after such closing, Zylera Pharmaceuticals, LLC and then the Company will distribute the proceeds received by Zylera Pharmaceuticals, LLC in the merger (consisting of shares of common stock of Purchaser) to its members, so as to result in the Sellers owning such shares before the closing of the Acquisition becomes effective.

2.2 Sale and Purchase of Membership Interests. The Closing Date Cash Payment shall be paid by wire transfer of immediately available funds into the account(s) designated in writing by the Sellers prior to the Closing Date.

(b) On the Closing Date, Purchaser shall pay to the Escrow Agent by wire transfer of immediately available funds for deposit into the Escrow Account (i) the True-Up Escrow Amount to be held by the Escrow Agent as security for any adjustments to the Closing Date Cash Payment in favor of Purchaser pursuant to Section 2.6 and (ii) the Indemnity Escrow Amount to be held by the Escrow Agent as security for the Sellers’ indemnification obligations under this Agreement. The True-Up Escrow Amount and the Indemnity Escrow Amount shall be held and released by the Escrow Agent in accordance with the provisions of this Agreement and the Escrow Agreement.

(c) On the Closing Date, Purchaser shall pay or cause to be paid in full all Company Transaction Expenses and any Company Indebtedness that is agreed by the parties to be paid on the Closing Date, in each case as identified on the Closing Date Statement and to each applicable Person identified therein. Such payments shall be made by wire transfer of immediately available funds in accordance with payoff letters or final invoices delivered to Purchaser in accordance with Section 2.11(a)(vii).

2.5 Contingent Payments.

(a) Contingent Equity Payment. Following Closing, Purchaser shall take all necessary actions at the 2018 annual shareholder meeting in order to obtain Purchaser Stockholder Approval of the issuance of shares of Purchaser common stock equal to the Equity Consideration less the Closing Date Equity Consideration (the “**Contingent Equity Payment**”). Promptly following Purchaser obtaining Purchaser Stockholder Approval, Purchaser shall issue to the Sellers the number of shares constituting the Contingent Equity Payment less the Indemnity Equity Shares, such shares to be issued to the Sellers in proportion to their Percentage Interests. The Indemnity Equity Shares shall be held by Purchaser as security for the Sellers’ indemnification obligations under this Agreement and released in accordance with Section 7.5(b).

16

(b) Gross Profit Earnout.

(i) As promptly as practicable following the end of each month during the fiscal year ended December 31, 2018, Purchaser shall prepare and deliver to the Sellers a statement (the “**Preliminary Gross Profit Statement by Product Line**”), setting forth Purchaser’s good-faith determination of (A) Gross Profit for the prior month and (B) cumulative 2018 Gross Profit through the end of the prior month. Such Preliminary Gross Profit Statement by Product Line is for informational purposes only and the calculations contained therein are subject to adjustment in connection with the preparation of the final Gross Profit Statement by Product Line.

(ii) Promptly following completion of the audited consolidated financial statements of Purchaser for the fiscal year ended December 31, 2018, Purchaser shall prepare and deliver to the Sellers a statement (the “**Gross Profit Statement by Product Line**”), which will tie to the applicable calculations set forth in the audited consolidated financial statements of Purchaser, setting forth Purchaser’s good-faith determination of the 2018 Gross Profit. If the Gross Profit Statement by Product Line reflects that the Gross Profit for the fiscal year ended December 31, 2018 was equal to or in excess of the Target Gross Profit, then, within ten (10) days following the delivery of the Gross Profit Statement by Product Line, Purchaser shall pay, by wire transfer of immediately available funds to the account(s) designated in writing by the Sellers, the Gross Profit Earnout Amount, allocated between the Sellers in proportion to their Percentage Interests.

(iii) The Gross Profit Statement by Product Line delivered by Purchaser to the Sellers shall be conclusive and binding upon the parties unless the Sellers, within twenty (20) days after receipt of the Gross Profit Statement by Product Line, notifies Purchaser in writing that it disputes the amount set forth therein, specifying the nature of the dispute and the basis therefor. The parties shall in good faith attempt to resolve any such dispute and, if the parties so resolve the dispute, the Gross Profit Statement by Product Line, as amended to the extent necessary to reflect the resolution of the dispute, shall be conclusive and binding on the parties. If the parties do not reach agreement in resolving the dispute within sixty (60) days after notice is given by the Sellers to Purchaser of its dispute, then the parties shall submit the dispute to a nationally recognized independent accounting firm which is mutually agreeable to the parties (the “**Arbiter**”) for resolution. If the parties cannot agree on the selection of an independent accounting firm to act as Arbiter, the parties shall request the American Arbitration Association to appoint such a firm, and such appointment shall be conclusive and binding on the parties. Promptly, but no later than twenty (20) Business Days after acceptance of its appointment as Arbiter, the Arbiter shall determine (it being understood that in making such determination, the Arbiter shall be functioning as an expert and not as an arbitrator), based solely on written submissions by Purchaser and the Sellers, and not by independent review, any issues in dispute and

shall render a written report as to the resolution of the dispute and the resulting computation of Gross Profit, which shall be conclusive and binding on the parties. The fees, costs and expenses of the Arbiter shall be allocated to and borne by Purchaser and the Sellers based on the inverse of the percentage that the Arbiter's determination (before such allocation) bears to the total amount of the dispute as originally submitted to the Arbiter under this Section 2.5. For example, should the dispute under this Section 2.5 total an amount of \$1,000 and the Arbiter awards \$600 in favor of the Sellers, then 60% of the costs

would be borne by Purchaser and 40% of the costs would be borne by the Sellers. If the Gross Profit for the fiscal year ended December 31, 2018, as finally determined pursuant to this Section 2.4(b)(ii), is equal to or in excess of the Target Gross Profit Amount, then, within ten (10) days following the date of final determination hereunder, Purchaser shall pay, by wire transfer of immediately available funds to the account(s) designated in writing by the Sellers, the Gross Profit Earnout Amount, allocated between the Sellers in proportion to their Percentage Interests.

(iv) From the Closing Date through December 31, 2018, Purchaser agrees to cause the Company Entities to exercise commercially reasonable efforts, consistent with the past practices of the Company Entities, to market and sell the Company Products; provided, however, that Purchaser shall be entitled, in the exercise of its reasonable business judgment, to adjust the marketing and sale efforts of any Company Product to reflect declining performance of such Company Product and to reallocate resources to other Company Products.

(c) NDA Transfer Milestone Payment. In the event that the Sellers, within thirty-six (36) months following the Closing Date, provide evidence reasonably satisfactory to Purchaser that the Ulesfia NDA and all associated rights thereto have been fully transferred to Purchaser, a Company Entity or any Affiliate thereof, without any contingency or payment due from the transferee thereof to any Person (the "NDA Transfer Milestone"), then, on a date no later than thirty (30) days following the date that the NDA Transfer Milestone is achieved, Purchaser shall pay, by wire transfer of immediately available funds to the account(s) designated in writing by the Sellers, the NDA Transfer Milestone Payment, allocated between the Sellers in proportion to their Percentage Interests. The Sellers shall be solely responsible for taking any actions necessary to achieve the NDA Transfer Milestone, and Purchaser shall have no obligation to take any actions or expend any monies or other resources to achieve the NDA Transfer Milestone; provided, however, that to the extent that the Pre-Closing Ulesfia Losses are less than One Million Dollars (\$1,000,000), then Purchaser shall provide to the Sellers, upon reasonable request and solely for bona fide expenditure in connection with good-faith efforts by the Sellers to achieve the NDA Transfer Milestone, up to the amount by which the Pre-Closing Ulesfia Losses are less than One Million Dollars (\$1,000,000).

(d) FDA Approval Milestone Payment. On a date no later than thirty (30) days following the date on which the Company or another Company Entity or any Affiliate thereof receives FDA Approval for New Ulesfia, Purchaser shall pay the FDA Approval Milestone Payment, allocated between the Sellers in proportion to their Percentage Interests, with any cash portion of such payment paid by wire transfer of immediately available funds to the account(s) designated in writing by the Sellers. Purchaser shall commence commercially reasonable efforts to pursue the FDA Approval of New Ulesfia within six (6) months following Closing and continue such commercially reasonable efforts until FDA Approval of New Ulesfia is received or final rejection thereof; provided, however, that Purchaser shall be entitled, in the exercise of its reasonable business judgment, to adjust or cease such efforts in the event that there is a material adverse change in the market for Ulesfia or the prospects for sales thereof. Purchaser shall bear all reasonable and customary development and regulatory costs expended in connection with such efforts taken by the Company Entities to achieve such FDA Approval.

(e) Ulesfia Recovery Amount. In the event that Purchaser or any Company Entity receives any Ulesfia Recovery Amount following the Closing Date, Purchaser shall pay such amount to the Sellers, allocated between the Sellers in proportion to their Percentage Interests, by wire transfer of immediately available funds to the account(s) designated in writing by the Sellers.

(f) Lockup. The Sellers acknowledge and agree that any shares of Purchaser common stock received by the Sellers as the Contingent Equity Payment or FDA Approval Milestone Payment shall be subject to a lockup period through the second anniversary of the Closing Date, which shall be set forth in the subscription agreements for such shares to be entered into by the Sellers at the time of any such issuance.

2.6 Purchase Price Adjustment

(a) Prior to the date hereof, the Company has delivered to Purchaser a statement (the "Closing Date Statement") setting forth a reasonable, good-faith estimate (without duplication) of (i) the Closing Date Working Capital (the "Estimated Working Capital"), (ii) the Closing Date Indebtedness (the "Estimated Indebtedness"), (iii) all Company Transaction Expenses that have not been paid by the Companies Entities as of the Adjustment Time ("Estimated Transaction Expenses"), and (iv) the Closing Date Cash on Hand ("Estimated Cash on Hand"). The Closing Date Statement and each of the estimates set forth therein shall have been prepared by the Company (x) in good faith, (y) in accordance with the Accounting Methodology, and (z) with reasonable supporting detail for the calculations set forth therein.

(b) No later than ninety (90) days following the Closing Date, Purchaser shall deliver to the Sellers an unaudited statement (the "Closing Statement") setting forth a reasonable, good-faith estimate (without duplication) of (i) the Closing Date Working Capital, (ii) the Closing Date Indebtedness, (iii) the Closing Date Cash on Hand and (iv) the Company Transaction Expenses that had not been paid by the Company Entities as of the Adjustment Time. The Closing Statement shall be prepared by Purchaser (x) in

good faith, (y) in accordance with the Accounting Methodology, and (z) with reasonable supporting detail for the calculations set forth therein.

(c) Acceptance of Statements; Dispute Procedures. The Closing Statement (and the computation of Closing Date Working Capital, Closing Date Indebtedness, Closing Date Cash on Hand and unpaid Company Transaction Expenses indicated thereon) delivered by Purchaser to the Sellers shall be conclusive and binding upon the parties unless the Sellers, within forty-five (45) days after receipt of the Closing Statement, notify Purchaser in writing that they dispute any of the amounts set forth therein, specifying the nature of the dispute and the basis therefor. Disputed items in the aggregate must reach a threshold of \$50,000 to be eligible for the dispute resolution procedures outlined below. The parties shall in good faith attempt to resolve any dispute and, if the parties so resolve all disputes, the Closing Statement (and the computation of Closing Date Working Capital, Closing Date Indebtedness, Closing Date Cash on Hand and unpaid Company Transaction Expenses indicated thereon), as amended to the extent necessary to reflect the resolution of the dispute, shall be conclusive and binding on the parties. If the parties do not reach agreement in resolving the dispute within forty-five

19

(45) days after notice is given by the Sellers of the dispute, then the parties shall submit the dispute to the Arbitrator (appointed in accordance with the procedure set forth above) for resolution. Promptly, but no later than twenty (20) Business Days after acceptance of its appointment as Arbitrator, the Arbitrator shall determine (it being understood that in making such determination, the Arbitrator shall be functioning as an expert and not as an arbitrator), based solely on written submissions by Purchaser and the Sellers, and not by independent review, only those issues in dispute and shall render a written report as to the resolution of the dispute and the resulting computation of the Closing Date Working Capital, Closing Date Indebtedness, Closing Date Cash on Hand and unpaid Company Transaction Expenses, as applicable, indicated thereon which shall be conclusive and binding on the parties. The fees, costs and expenses of the Arbitrator shall be allocated to and borne by Purchaser and the Sellers based on the inverse of the percentage that the Arbitrator's determination (before such allocation) bears to the total amount of the total items in dispute as originally submitted to the Arbitrator under this Section 2.6. For example, should the items in dispute under this Section 2.6 total an amount of \$1,000 and the Arbitrator awards \$600 in favor of the Sellers, then 60% of the costs of its review would be borne by Purchaser and 40% of the costs would be borne by the Sellers.

(d) The Closing Statement shall become the "**Final Closing Statement**" (i) on the earlier of (A) the forty-sixth (46th) day following the delivery of the Closing Statement if a dispute notice has not been delivered to Purchaser by the Sellers, (B) the date upon which the Sellers acknowledge in writing that they have no objections to the Closing Statement, (C) the date on which a written resolution with respect to all differences has been executed pursuant to Section 2.6(c), and (D) the date upon which the Arbitrator reaches a final, binding resolution of those disputed items submitted to the Arbitrator pursuant to Section 2.6(c), (ii) with such changes as are necessary to reflect matters resolved pursuant to any written resolution executed pursuant to Section 2.6(c), and (iii) with such changes as are necessary to reflect the Arbitrator's resolution of matters in dispute pursuant to Section 2.6(c). The date on which the Closing Statement shall become the Final Closing Statement pursuant to the immediately foregoing sentence is referred to as the "**Final Determination Date**".

2.7 Payment of Purchase Price Adjustments.

(a) If the Closing Date Working Capital set forth in the Final Closing Statement (the "**Actual Working Capital**") is less than the Estimated Working Capital, then an amount equal to such shortfall shall be due to Purchaser and payable in accordance with, and subject to, Section 2.7(e). If the Actual Working Capital is greater than the Estimated Working Capital, then an amount equal to such difference shall be due to the Sellers and payable in accordance with, and subject to, Section 2.7(e).

(b) If the Closing Date Indebtedness set forth in the Final Closing Statement (the "**Actual Indebtedness**") is less than the Estimated Indebtedness, then an amount equal to such difference shall be due to the Sellers and payable in accordance with, and subject to, Section 2.7(e). If the Estimated Indebtedness is less than the Actual Indebtedness, then an amount equal to such shortfall shall be due to Purchaser and payable in accordance with, and subject to, Section 2.7(e).

20

(c) If the unpaid Company Transaction Expenses set forth in the Final Closing Statement (the "**Actual Transaction Expenses**") are less than the Estimated Transaction Expenses, then an amount equal to such difference shall be due to the Sellers and payable in accordance with, and subject to, Section 2.7(e). If the Estimated Transaction Expenses are less than the Actual Transaction Expenses, then an amount equal to such shortfall shall be due to Purchaser and payable in accordance with, and subject to, Section 2.7(e).

(d) If the Closing Date Cash on Hand set forth in the Final Closing Statement (the "**Actual Cash on Hand**") is greater than the Estimated Cash on Hand, then an amount equal to such difference shall be due to the Sellers and payable in accordance with, and subject to, Section 2.7(e). If the Estimated Cash on Hand is less than the Actual Cash on Hand, then an amount equal to such shortfall shall be due to Purchaser and payable in accordance with, and subject to, Section 2.7(e).

(e) Set-off, Release and Shortfall.

(i) Any amounts owing and payable between Purchaser and the Sellers pursuant to any of Sections 2.7(a) through (d) shall be set off against any other amount or amounts owing and payable between such parties pursuant to such subsections, such that only a net amount (the "**Net Adjustment Amount**") shall be paid, which set-off amounts shall be set forth on the Final Closing Statement.

(ii) In the event that the Net Adjustment Amount is payable to Purchaser, and such Net Adjustment Amount is equal to or less than the True-Up Escrow Amount, within two (2) Business Days of the Final Determination Date, Purchaser and the Sellers shall jointly direct the Escrow Agent (i) to release to Purchaser from the True-Up Escrow Amount, in accordance with the Escrow Agreement, an amount equal to the Net Adjustment Amount and (ii) to release to the Sellers, in accordance with the Escrow Agreement and allocated between the Sellers in proportion to their Percentage Interests, an amount equal to the True-Up Escrow Amount less the Net Adjustment Amount.

(iii) In the event that the Net Adjustment Amount is payable to Purchaser, and such Net Adjustment Amount is greater than the True-Up Escrow Amount, within two (2) Business Days of the Final Determination Date, Purchaser and the Sellers shall jointly direct the Escrow Agent to release to Purchaser all of the True-Up Escrow Amount, in accordance with the Escrow Agreement, and the Sellers shall pay to Purchaser the remaining amount of the Net Adjustment Amount and, if any such amount is not promptly paid, Purchaser may, in its sole discretion, receive a distribution from the Indemnity Escrow Amount equal to any unpaid amount.

(iv) In the event that the Net Adjustment Amount is payable to the Sellers, within two (2) Business Days of the Final Determination Date, each of Purchaser and the Sellers shall direct the Escrow Agent to release to the Sellers all of the True-Up Escrow Amount, in accordance with the Escrow Agreement, and Purchaser shall pay the Net Adjustment Amount to the Sellers, by wire transfer of immediately available funds to the account(s) designated by the Sellers, in each case allocated between the Sellers in proportion to their Percentage Interests.

21

(f) Any adjustments made pursuant to this Section 2.7 shall be treated as an adjustment to the Purchase Price and the amounts paid for the Membership Interests.

2.8 Purchase Price Allocation.

(a) For United States federal, state and local income Tax purposes, the Sellers and Purchaser agree that the sale of the Membership Interests hereunder shall be treated under IRS Revenue Ruling 99-6, 1999-1 C.B. 432 (Situation 2), (i) with respect to Purchaser, as a deemed purchase of all of the assets of the Company and any of its noncorporate wholly owned Subsidiaries, and (ii) with respect to the Sellers, as a sale of their Membership Interests.

(b) For purposes of determining Purchaser's and the Company Entities' beginning federal income Tax basis in the Company Entities' assets upon the effectiveness of the Acquisition, the Purchase Price (such amount, plus any additional amounts treated as consideration under Treasury Regulations Section 1.1060-1(c), the "**Allocable Purchase Price**") shall be allocated among the assets of the Company and the other Company Entities in accordance with the requirements of Section 1060 of the Code and the Treasury Regulations thereunder.

2.9 Closing Date. The closing of the transactions contemplated hereby (the "**Closing**") shall take place via the electronic transmittal of executed documents on the date hereof (the "**Closing Date**"). The Closing of the Acquisition will be effective on the Closing Date as of the Adjustment Time.

2.10 Withholding Taxes. Notwithstanding any other provision in this Agreement, Purchaser, the Company Entities, and the Escrow Agent have the right to deduct and withhold Taxes from any payments to be made hereunder if such withholding is required by Law, and the recipient of any payment shall provide any necessary Tax forms, including IRS Form W-9 and any other Tax form(s), as applicable, and any similar information. To the extent that any of the aforementioned amounts are so withheld and paid over to the appropriate Tax authority, such withheld amounts will be treated for all purposes of this Agreement as having been delivered and paid to the recipient of payments in respect of which such deduction and withholding was made. To the extent that any payment pursuant to this Agreement is not reduced by such deductions or withholdings, such recipient shall indemnify Purchaser and its Affiliates (including the Company Entities) for any such amounts imposed by any Governmental Body (excluding any penalty or interest related to the failure to withhold) and Purchaser, at its option and its sole discretion, may (a) treat such amounts as an obligation due and payable, and to be reimbursed, by the Sellers within ten (10) Business Days after written notice of such amount is provided to the Sellers, (b) treat the amount as a Loss of the Purchaser Indemnified Parties under Section 7.2, or (c) apply some combination of the two forgoing procedures.

22

2.11 Closing Deliveries.

(c) There are no outstanding or authorized options, warrants, convertible securities or other rights, agreements, arrangements or commitments of any character relating to any ownership interests in the Company or obligating the Company to issue or sell any ownership interests (including the Membership Interests), or any other interest, in the Company. 5.2 Authorization of Agreement. Purchaser has full corporate power and authority to execute and deliver this Agreement and each other agreement, document, instrument or certificate contemplated by this Agreement or to be executed by Purchaser in connection with the consummation of the transactions contemplated hereby and thereby (the “*Purchaser Documents*”), and to consummate the transactions contemplated hereby and thereby. This Agreement and each Purchaser Document have been duly executed and delivered by Purchaser and (assuming the due authorization, execution and delivery by the other parties hereto and thereto) constitutes the legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its respective terms, except as enforceability may be limited by bankruptcy Laws, other similar Laws affecting creditors’ rights and general principles of equity affecting the availability of specific performance and other equitable remedies (regardless of whether enforcement is sought in a proceeding at law or in equity).

48

5.3 Conflicts; Consents of Third Parties.

(a) Except as set forth in Section 5.3(a) of the Disclosure Schedule hereto, none of the execution and delivery by Purchaser of this Agreement and of the Purchaser Documents, the consummation of the transactions contemplated hereby or thereby, or the compliance by Purchaser with any of the provisions hereof or thereof will conflict with, or result in violation of or default (with or without notice or lapse of time, or both) under, or give rise to a right of termination or cancellation under any provision of (i) the certificate of incorporation and by-laws of Purchaser; (ii) any Contract to which Purchaser is a party or by which any of the properties or assets of Purchaser are bound; (iii) any Order of any Governmental Body applicable to Purchaser or by which any of the properties or assets of Purchaser are bound; or (iv) any applicable Law.

ARTICLE VI

COVENANTS

6.1 Further Assurances. Each of the Sellers, the Company and Purchaser shall use its commercially reasonable efforts to take, or cause to be taken, all actions necessary or appropriate to consummate the transactions contemplated by this Agreement. In case at any time after the Closing any further action is necessary to carry out the purposes of this Agreement, each of the parties will take such further action (including the execution and delivery of such further instruments and documents) as any other party reasonably may request. Purchaser shall take all necessary actions to hold its 2018 annual stockholder meeting no later than June 30, 2018, in order to obtain the Purchaser Stockholder Approval. Sellers shall take all necessary actions to deliver to Purchaser, within sixty (60) days following the Closing, a reviewed consolidated balance sheet of the Company Entities as of September 30, 2017 and the related reviewed consolidated statements of operations and changes in members deficit and cash flows of the Company Entities for the 9-month period then ended.

6.2 Non-Competition; Non-Solicitation; Confidentiality. Each of the Restricted Parties severally covenants as set forth in Section 6.2(a) through (d) below:

(a) Except in connection with services provided on behalf of the Company Group or Purchaser, for a period of five (5) years from and after the Closing Date, such Restricted Party shall not: (i) within the Restricted Territory (as defined below) directly or indirectly, own, manage, engage in, operate, control, work for, consult with, render services for, do business with, maintain any interest in (proprietary, financial or otherwise) or participate in the ownership, management, operation or control of, any business, whether in corporate, proprietorship or partnership form or otherwise, engaged in contract manufacturing, distribution or sales of branded, generic or OTC multivitamins with fluoride, products containing prednisone or prednisolone, products used for the treatment of head lice or products which any member of the Company Group at the time of Closing sells, has the contractual right to sell or has in the product pipeline (a "**Restricted Business**"); or (ii) acquire or own, directly or indirectly, the outstanding capital stock of any Person engaged in a Restricted Business in the Restricted Territory; provided, however, the foregoing shall not prohibit the ownership of publicly-traded securities constituting not more than 5% of the outstanding securities of an entity conducting a Restricted Business and shall not limit in any way the acquisition or ownership of securities of Purchaser. As used herein, the term "**Restricted Territory**" means the United States of America, but if the foregoing definition is deemed by a court of competent jurisdiction to be too broad to be enforced, then "**Restricted Territory**" will mean each of the States of the United States in which the Company Entities conducted business as of the date hereof.

(b) For a period of five (5) years from and after the Closing Date, such Restricted Party shall not, directly or indirectly: (i) cause, solicit, induce or encourage any employees of the Company Group to leave such employment or hire, employ or otherwise engage any such individual, except pursuant to a general solicitation which is not directed specifically to any such employees; (ii) cause, induce or encourage any Person who has a material business relationship with the Company Group as of the Closing, including any client,

customer or supplier of the Company Group, to terminate or modify any such relationship, or (iii) cause, induce or encourage any Person who has a material business relationship with the Company Group (including any customer of the Company Group and any Person that becomes a client or customer of the Company Group after the Closing), to terminate or modify any such relationship. Notwithstanding the foregoing, nothing in this Section 6.2 shall prevent any Restricted Party or any Affiliate thereof from hiring (i) any employee whose employment has been terminated by Purchaser; or (ii) any independent contractors who have not been directly involved in the business of the Company Group and have at any time been professional advisors or service providers to the Sellers, including but not limited to outside attorneys, accountants and computer consultants.

(c) Each of the Restricted Parties acknowledges that the agreements and covenants contained in this Section 6.2 are essential to protect the value to be received by Purchaser upon and following the consummation of the transactions contemplated hereby, such agreements and covenants are important elements in Purchaser's valuation of the Company Entities and its decision to agree to pay the Purchase Price and are a material inducement to Purchaser's agreement to enter into this Agreement. The covenants and undertakings contained in this Section 6.2 relate to matters which are of a special, unique and extraordinary character and a violation of any of the terms of this Section 6.2 will cause irreparable injury to Purchaser and will entitle Purchaser to a temporary and permanent injunction, restraining order or other equitable relief from any court of competent jurisdiction in the event of any breach of this Section 6.2

without the necessity of proving actual damage or posting any bond whatsoever. The rights and remedies provided by this Section 6.2 are cumulative and in addition to any other rights and remedies which Purchaser may have hereunder or at law or in equity.

(d) The parties hereto agree that, if any court of competent jurisdiction determines that a specified time period, the geographical area, a specified business limitation or any other relevant feature of this Section 6.2 is unreasonable, arbitrary or against public policy, then the covenant or provision in question shall remain in full force and effect for the greatest time period, geographical area, business limitation, or other relevant feature which is determined by such court to be reasonable, not arbitrary and not against public policy, and the parties expressly agree that the court shall be authorized to modify the provision(s) to the extent necessary to render them valid and enforceable to the maximum extent permitted by law.

6.3 Publicity. None of the Sellers shall issue any press release or public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of Purchaser (it being understood that the parties shall agree upon the text of a press release to be issued following the Closing).

The Sellers hereby agree that upon the Closing, Purchaser and the Company Entities shall have the sole right to the use of the name “TRx Pharmaceuticals”, “Zylera Pharmaceuticals”, “Zylera Pharma Corp”, “Princeton Therapeutics”, and similar names and any service marks, trademarks, trade names, d/b/a names, fictitious names, identifying symbols, logos, emblems, signs or insignia related thereto or containing or comprising the foregoing, or otherwise used in the business of the Company Entities, including any name or mark confusingly similar thereto and the trademarks and service marks listed on Section 4.13(a) of the Disclosure Schedule (collectively, the “*Company Marks*”). From and

51

after the Closing, the Sellers shall not, and shall not permit their respective Affiliates to, use such name or any variation or simulation thereof or of any of the Company Marks.

6.5 Waiver. Effective as of the Closing, each of the Sellers and the Company hereby irrevocably waive any and all provisions restricting or relating to the transfer of the Membership Interests under any contract or agreement or otherwise so as to allow the transactions contemplated hereby to be consummated in accordance with the terms hereof.

ARTICLE VII

Notwithstanding any other provision of this Agreement, no claim for indemnification in respect of any breach or alleged breach of a representation or warranty set forth in this Agreement may be made, and no indemnification shall be owing in respect of any such claim made, after the end of the applicable Survival Period for such representation or warranty.

7.2 Indemnification.

(a) Subject to the limitations set forth in Sections 7.1 and 7.4, the Sellers, jointly and severally, hereby agree to indemnify and hold Purchaser, the Company Entities, and their respective directors, officers, employees, Affiliates, stockholders, agents, attorneys, representatives, successors and permitted assigns (collectively, the “*Purchaser Indemnified Parties*”) harmless from and against, and pay to the applicable Purchaser Indemnified Parties the amount of, any and all losses, liabilities, claims, obligations, deficiencies, demands, judgments, interest, fines, penalties, suits, actions, causes of action, assessments, awards, costs and expenses (including costs of investigation and defense and reasonable attorneys’ and other professionals’ fees), whether or not involving a third party claim and damages to the extent the foregoing has, would or will give rise to a claim for damages under Law, but in all cases excluding exemplary or punitive damages except to the extent such damages are paid in relation to a Third Party Claim (individually, a “*Loss*” and, collectively, “*Losses*”):

(v) based upon, attributable to or arising from the TCPA Matters; or

(vi) that constitute 50% of any Post-Closing Ulesfia Losses.

(b) Subject to the limitations set forth in Sections 7.1 and 7.4, Purchaser hereby agrees to indemnify and hold the Sellers and their respective Affiliates, stockholders, agents, attorneys, representatives, successors and permitted assigns (collectively, the “**Seller Indemnified Parties**”) harmless from and against, and pay to the applicable Seller Indemnified Parties the amount of any and all Losses:

(i) based upon, attributable to or resulting from the failure of any of the representations or warranties made by Purchaser in this Agreement to be true and correct in all respects as of the date hereof and as of the Closing Date; and

(ii) based upon, attributable to or resulting from the breach of any covenant or other agreement on the part of Purchaser under this Agreement.

(c) For purposes of determining the amount of any Losses incurred by a party seeking indemnification hereunder (but not for purposes of determining whether there has been a breach of any representation or warranty in this Agreement), each representation or warranty set forth herein shall be read without regard and without giving effect to any materiality or Material Adverse Effect standard or qualification.

(d) The right to indemnification or any other remedy based on representations, warranties, covenants and agreements in this Agreement shall not be affected by any investigation by or knowledge of the party seeking indemnification hereunder, whether conducted or obtained before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of, or compliance with, any such representation, warranty, covenant or agreement.

7.3 Indemnification Procedures.

(a) A claim for indemnification for any matter not involving a third party claim shall be asserted by notice to the party from whom indemnification is sought; provided, however, that failure to so notify the indemnifying party shall not preclude the indemnified party from any indemnification which it may claim in accordance with this Article VII except to the extent that the indemnifying party is actually prejudiced as a result of such failure. In the case of any claim for indemnification in respect of a breach of representation or warranty, such claim must be made within the applicable Survival Period for such representation or warranty. In the case of any claim for indemnification in respect of a breach of covenant, such claim must be made within the period of the statute of limitations following the date performance was due.

(b) In the event that any Legal Proceedings shall be instituted or any claim or demand shall be asserted by any third party in respect of which indemnification may be sought under Section 7.2 hereof other than Tax Claims, which shall be governed by Section 8.3 (a “**Third Party Claim**”), the indemnified party shall promptly cause written notice of the assertion of any Third Party Claim to be forwarded to the indemnifying party. The failure of the indemnified party to give reasonably prompt notice of any Third Party Claim shall not release, waive or otherwise affect the indemnifying party’s obligations with respect thereto except to the extent that the indemnifying party is actually prejudiced as a result of such failure. Subject to the provisions of this Section 7.3, the indemnifying party shall have the right, at its sole expense, to be represented by counsel of its choice, which must be reasonably satisfactory to the indemnified party (provided that if the indemnifying party is one or more of the Sellers, reasonable expenses shall be reimbursed from the Escrow Account from time to time). The indemnifying party shall have the right, at its sole expense (provided that if the indemnifying party is one or more of the Sellers, reasonable expenses shall be reimbursed from the Escrow Account from time to time), to defend against, negotiate, settle or otherwise deal with any Third Party Claim which relates to any Losses indemnified against hereunder so long as the amount of indemnifiable Losses in respect of such Third Party Claim is not, in the reasonable judgment of Purchaser, reasonably likely to exceed the Cap when aggregated with all other Losses; provided, that the indemnifying party shall have acknowledged in writing to the indemnified party its obligation to indemnify the indemnified party as provided (and subject to any applicable limitations on indemnification) hereunder. If the indemnifying party elects to defend against, negotiate, settle or otherwise deal with any such Third Party Claim, it shall within ten (10) Business Days of its receipt of the indemnified party’s written notice of the assertion of such Third Party Claim notify the indemnified party of its intent to do so; provided, that the indemnifying party must conduct the defense of the Third Party Claim actively and diligently thereafter in order to preserve its rights in this regard. If the indemnifying party elects not to (or is not eligible to) defend against, and (subject to the other limitations set forth in this Agreement) negotiate, settle or otherwise deal with any Third Party Claim which relates to any Losses indemnified against hereunder, fails to notify the indemnified party of its election as herein provided or contests its obligation to indemnify the indemnified party for such Losses under this Agreement, this shall not waive the indemnifying party’s right to dispute that it is obligated to indemnify the indemnified party hereunder, and the indemnified party may defend against, negotiate, settle or otherwise deal with such Third Party Claim. If the indemnified party defends any Third Party Claim for which the indemnifying party is liable to indemnify it hereunder, then the indemnifying party shall reimburse the indemnified party (subject to any

54

applicable limitations on indemnification hereunder) for the expenses of defending such Third Party Claim upon submission of periodic bills. If the indemnifying party shall assume the defense of any Third Party Claim, the indemnified party may participate in (but not control), at his or its own expense, the defense of such Third Party Claim; provided, however, that such indemnified party shall be entitled to participate in (but not control) any such defense with separate counsel at the expense of the indemnifying party if (i) so requested by the indemnifying party to participate or (ii) in the reasonable opinion of counsel to the indemnified party, a conflict or potential conflict of interests exists between the indemnified party and the indemnifying party that would make such separate representation advisable; and provided, further, that the indemnifying party shall not be required to pay for more than one such counsel for all indemnified parties in connection with any Third Party Claim. The parties hereto agree to provide reasonable access to the other to such documents and information as may be reasonably requested in connection with the defense, negotiation or settlement of any such Third Party Claim.

(c) Notwithstanding anything in this Section 7.3 to the contrary, upon assuming the defense of any Third Party Claim, the indemnifying party shall not, without the written consent of the indemnified party (which shall not be unreasonably withheld or delayed), settle or compromise any Third Party Claim or permit a default or consent to entry of any judgment unless such settlement or judgment (i) relates solely to monetary damages for which the indemnifying party shall be responsible and (ii) includes an unqualified release of the indemnified party from all liability in respect of the Third Party Claim. If the indemnifying party makes any payment on any Third Party Claim, the indemnifying party shall be subrogated, to the extent of such payment, to all rights and remedies of the indemnified party to any insurance benefits or other claims of the indemnified party with respect to such Third Party Claim (less any fees and expenses (including any increase in insurance premiums) incurred in obtaining such recovery); provided, that the indemnifying party shall take commercially reasonable efforts to prevent any disruption or interference with the indemnified party's commercial relationships.

(d) After any final decision, judgment or award shall have been rendered by a Governmental Body of competent jurisdiction and the expiration of the time in which to appeal therefrom, or a settlement shall have been consummated, or the indemnified party and the indemnifying party shall have arrived at a mutually binding agreement, in each case with respect to an Third Party Claim hereunder, the indemnified party shall forward to the indemnifying party notice of any sums due and owing by the indemnifying party pursuant to this Agreement with respect to such matter and the indemnifying party shall pay all of such remaining sums so due and owing to the indemnified party in accordance with Section 7.5 by wire transfer of immediately available funds within five (5) Business Days after the date of such notice.

(e) Notwithstanding anything to the contrary herein, the Sellers shall have control with respect to the defense of the matters related to the Ulesfia Pre-Closing Losses and the TCPA Matters; provided, that the Sellers must conduct the defense of such matters (i) in good faith and (ii) actively and diligently to preserve all rights of the Company Entities. Additionally, the Sellers shall keep Purchaser informed of developments with respect to the foregoing matters and will provide any documentation related to such matters to Purchaser upon

its reasonable request. The Sellers may settle or compromise the matters related to the Ulesfia Pre-Closing Losses and TCPA Matters in the Seller's reasonable discretion without the written consent of Purchaser so long as such settlement or compromise (i) relates solely to monetary damages for which the Sellers shall ultimately be responsible and (ii) includes an unqualified release of all members of the Company Group from all liability in respect of such matters. For the avoidance of doubt, and without limiting the foregoing, Purchaser's consent shall be required if such settlement or compromise would require (i) the payment by any member of the Company Group of any aggregate Losses in excess of the remaining Indemnity Amount or (ii) a non-monetary remedy applicable to any member of the Company Group that is adverse to the ownership or operation of the Company's ongoing business. Purchaser agrees that any and all claims of the Company Group against any third party arising out of the TCPA Matters, and all rights to any recoveries received thereby, are hereby transferred to the Sellers.

7.4 Limitations on Indemnification for Breaches of Representations and Warranties.

(a) An indemnifying party shall not have any liability under Sections 7.2(a)(i) or Section 7.2(b)(i) hereof until the aggregate amount of Losses incurred by the indemnified parties and indemnifiable thereunder based upon, attributable to or resulting from the failure of any of the representations or warranties to be true and correct exceeds One Hundred Twenty Five Thousand Dollars (\$125,000) (the "**Basket**") and, in such event, the indemnifying party shall be required to pay the amount in excess of the Basket (subject to the other limitations on indemnification set forth in this Agreement); provided, however, that the Basket shall not apply in the event of any failure of any of the Fundamental Representations to be true and correct or in the event of fraud.

(b) An indemnifying party shall not have any liability under Sections 7.2(a)(i) or Section 7.2(b)(i) hereof for an aggregate amount of Losses exceeding Two Million Three Hundred Thousand Dollars (\$2,300,000) (the "**Cap**"); provided, however, that the Cap shall not apply in the event of any failure of any of the Fundamental Representations to be true and correct or in the event of fraud, but the aggregate amount of Losses for which an indemnifying party shall have liability in respect of any failure of the Fundamental Representations to be true and correct or in the event of fraud shall not exceed the Purchase Price.

(c) Except in the event of fraud, the provisions of this Article VII, Section 6.2(c) and Section 8.3 are the sole and exclusive basis for the assertion of claims against, or the imposition of liability on, any party hereto or any officer, director, member or manager of any party hereto or any Company Entity in connection with the ownership or operation of the Company Entities prior to the Closing, or this Agreement and the transactions contemplated hereby, whether based on contract, tort, statute, regulation or otherwise. Each party irrevocably waives and relinquishes, and agrees not to assert or pursue, any claim not based on the provisions of this

7.5 Escrow; Indemnity Equity Shares.

(a) On the Closing Date, Purchaser shall pay to Wells Fargo Bank, N.A., as agent to Purchaser and the Sellers (the “*Escrow Agent*”), in immediately available funds, to the account designated by the Escrow Agent, an amount equal to the Indemnity Escrow Amount, in accordance with the terms of this Agreement and the Escrow Agreement by and among Purchaser, the Sellers and the Escrow Agent (the “*Escrow Agreement*”). The Escrow Account will have a term of eighteen (18) months. Within five (5) Business Days after the date that is eighteen (18) months following the Closing Date, the Escrow Agent shall distribute to the Sellers, allocated between the Sellers in proportion to their Percentage Interests, any portion of the Indemnity Escrow Amount (including any accrued interest thereon) then held in the Indemnity Escrow Account that is not subject to then-pending claims made by any Purchaser Indemnified Party under this Article VII prior to such time. If any claim made by any Purchaser Indemnified Party is still pending as of such time, then the Escrow Agent shall retain a portion of the Indemnity Escrow Amount in an amount equal to the Losses relating to such claim until such claim has been satisfied or otherwise resolved, at which point, Purchaser and the Sellers shall jointly instruct the Escrow Agent to pay to the Sellers, allocated between the Sellers in proportion to their Percentage Interests, any remaining portion of the Indemnity Escrow Amount not used to satisfy the indemnification rights of the Purchaser Indemnified Parties under this Article VII. Purchaser shall pay directly to the Escrow Agent all of the costs and expenses charged by the Escrow Agent in accordance with the terms of the Escrow Agreement.

(b) If any Purchaser Indemnified Party becomes entitled to indemnification under this Article VII and the Indemnity Escrow Amount is not sufficient to cover the entirety of such obligations, then Purchaser shall distribute to the applicable Purchaser Indemnified Parties such number of Indemnity Equity Shares having a value equal to the Losses to which such Purchaser Indemnified Party is entitled to indemnification that are not paid for from the Escrow Account. Within five (5) Business Days after the date that is eighteen (18) months following the Closing Date, Purchaser shall distribute to the Sellers, allocated between the Sellers in proportion to their Percentage Interests, any portion of the Indemnity Equity Shares then held by Purchaser that is not subject to then-pending claims made by any Purchaser Indemnified Party under this Article VII prior to such time. If any claim made by any Purchaser Indemnified Party is still pending as of such time and the total amount of all such pending claims exceeds the remaining portion of the Indemnity Escrow Amount at such time, then Purchaser shall retain a portion of the Indemnity Equity Shares representing an amount equal to the amount by which the Losses relating to such pending claims exceeds the remaining portion of the Indemnity Escrow Amount, which shares shall be retained until such claims have been satisfied or otherwise resolved, at which point, Purchaser shall (i) distribute to the applicable Purchaser Indemnified Parties such number of Indemnity Equity Shares having a value equal to the Losses to which such Purchaser Indemnified Party is entitled to indemnification in connection with resolution of such claims, and (ii) distribute to the Sellers, allocated between the Sellers in proportion to their Percentage Interests, any remaining portion of the Indemnity Equity Shares. Each Seller covenants and agrees that it will not distribute, grant or transfer any interest in the Indemnity Equity Shares to any other Person prior to the expiration of the Survival Period, and any such attempted transfer shall be void *ab initio*.

7.6 Right of Set-Off; Claw Back of Equity. Subject to the provisions of this Article VII, including the limitations provided in Section 7.4, in the event that any Purchaser Indemnified Party has one or more good-faith claims against the Seller Parties pursuant to this Article VII pending at the time any Contingent Payment becomes payable to Sellers hereunder, then an amount equal to the aggregate amount of all such claims of the Purchaser Indemnified Parties, less any remaining portion of the Indemnity Escrow Amount (including any accrued interest thereon), shall be withheld from the Contingent Payment Amount and placed into a third party escrow account, to be held until final resolution of such claims in accordance with the provisions of this Agreement. In the event that any Purchaser Indemnified Party is entitled to any payment pursuant to this Article VII that is not paid from the Indemnity Escrow Amount nor, following demand therefor, by the Sellers, Purchaser shall have the right, in its sole discretion, to redeem such portion of the Purchaser Shares then held by the Sellers having a value equal to the amount of Losses that have not been paid.

7.7 Characterization of Indemnity Payments. Any payments made to any Purchaser Indemnified Party or Seller Indemnified Party pursuant to this Article VII shall constitute an adjustment of the consideration paid for the Membership Interests for Tax purposes and shall be treated as such by the parties on their Tax Returns to the extent permitted by applicable Law.

ARTICLE VIII

TAX MATTERS

8.1 Preparation and Filing of Tax Returns; Payment of Taxes.

(a) The Sellers shall prepare or cause to be prepared all Tax Returns of the Company Entities for any taxable period that ends on or prior to the Closing Date that are due to be filed (taking into account extensions) after the Closing Date, and shall pay or cause to be paid all Taxes shown due thereon. Such Tax Returns shall be prepared in accordance with the past custom and practice of the Company Entities in preparing their Tax Returns except as otherwise required by applicable Law. To the extent any such Tax Return is required to be filed by a Company Entity, the Sellers shall deliver such Tax Return to the Company at least thirty (30) Business Days prior to the due date for filing such Tax Return (taking into account extensions), and the Company will thereupon timely file or cause to be timely filed such Tax Return. The Sellers shall provide a copy to Purchaser of, and permit Purchaser to review and comment on, each such Tax Return at least fifteen days in the case of income Tax Returns, and at least fifteen (15) days in the case of other types of

Tax Returns, prior to filing, and Sellers shall incorporate any timely and reasonable comments requested by Purchaser to the extent such comments and the related Tax treatment (i) are in accordance with applicable Tax Law, (ii) could have any material effect on the amount of Taxes in any post-Closing period for which Purchaser is liable, and (iii) will not materially increase the amount of Taxes for the Sellers for any Pre-Closing Tax Period or the portion of any Straddle Period prior to the Closing Date.

(b) Purchaser shall prepare or cause to be prepared and timely file or cause to be timely filed all Tax Returns of the Company Entities for any Straddle Period that are due after the Closing Date, and shall pay or cause to be paid all Taxes shown due thereon. To the

58

extent that such Tax Returns relate to the portion of any Straddle Period ending on the Closing Date, such Tax Returns shall be prepared in accordance with the past custom and practice of the Company Entities in preparing its Tax Returns except as otherwise required by applicable Law. Purchaser shall permit the Sellers to review and comment on the applicable portion of each such Tax Return relating to the Pre-Closing Tax Period at least ten (10) days prior to filing, and Purchaser shall incorporate any timely and reasonable comments requested by any Seller to the extent such comments and the related Tax treatment (i) are in accordance with applicable Tax Law, (ii) could have any material effect on the amount of Taxes in any Pre-Closing Tax Period for which the Sellers are liable, and (iii) will not materially increase the amount of Taxes for Purchaser or any Company Entity for any Tax Period beginning after the Closing Date or the portion of any Straddle Period after the Closing Date.

8.2 Cooperation on Tax Matters. Purchaser, the Company and the Sellers shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax Returns pursuant to this Agreement and any Legal Proceeding or other proceeding with respect to Taxes. Such cooperation shall include the retention and (upon the other party's request) the provision of records and information that are reasonably relevant to any such Legal Proceeding or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Purchaser, the Company and the Sellers agree to retain all books and records with respect to Tax matters pertinent to the Company Entities relating to any Pre-Closing Tax Period until the expiration of the applicable statute of limitations (and, to the extent notified by Purchaser, any extensions thereof), and to abide by all record retention agreements entered into with any Governmental Body and to give the other party reasonable written notice prior to transferring, destroying or discarding any such books and records, and if the other party so requests, Purchaser, the Company and the Sellers, as the case may be, shall allow the other party to take possession of such books and records at such other party's expense.

8.3 Tax Claims. If, after the Closing, any of Purchaser or a Company Entity receives notice of a claim by any Governmental Body that, if successful, would result in indemnification by the Sellers pursuant to Section 7.2(a)(i) as a result of a breach of any representation or warranty set forth in Section 4.10 (Taxes) or Section 7.2(a)(iii) (a "**Tax Claim**"), then after receipt of such notice, Purchaser or the Company, as the case may be, shall give reasonably prompt notice of such Tax Claim to the Sellers; provided, however, that the failure to give reasonably prompt notice of any Tax Claim shall not release, waive or otherwise affect the Sellers' obligations with respect thereto except to the extent that the Sellers are actually prejudiced as a result of such failure. The Sellers shall have the right, at the expense of the Sellers, to control the conduct and resolution of any Tax Claim relating to a Pre-Closing Tax Period, but not to any Straddle Period if the Tax Claim could or will have any effect on any Taxes or Tax Return relating to a period after the Closing Date.

8.4 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration and other substantially similar Taxes and fees incurred in connection with this Agreement (collectively, "**Transfer Taxes**") shall be borne and paid by Purchaser, and Purchaser will file all necessary Tax Returns and other documentation with respect to all such Transfer Taxes; provided, however, that this Section shall not apply to any income or franchise Taxes or similar state or local Taxes imposed on the Sellers by reason of the sale of the Membership Interests,

59

which shall be borne and paid solely by the Sellers or their direct or indirect owners, as appropriate.

8.5 Convention for Allocating Taxes. To the extent permitted under applicable Law, each of the Company Entities shall close the income Tax (or similar sort of Taxes) taxable year of such Company Entity as of the close of business on the Closing Date; provided however, that if the Company Entity is required to file a Tax Return for a Straddle Period, the portion of Taxes for a Straddle Period that relate to the Pre-Closing Tax Period shall be calculated as though the taxable period of the Company Entity terminated as of the close of the Closing Date; and provided, further, that in the case of a Tax not based on income, receipts, proceeds, profits or similar items (or items determined on an annual basis such as depreciation or amortization), the portion of the Tax (or item) for a Pre-Closing Tax Period shall be equal to the amount of Tax (or item) for the entire Straddle Period multiplied by a fraction, the numerator of which is the total number of days from the beginning of the Straddle Period through (and including) the Closing Date and the denominator of which is the total number of days in the Straddle Period.

8.6 Refunds. All refunds of Taxes (including any interest thereon) from a Tax authority in respect of a Company Entity for any Pre-Closing Tax Period (or any such refund for a Pre-Closing Tax Period) that is credited against a Tax liability of Purchaser or a Company Entity, or any of their respective Affiliates for any taxable period (or portion thereof) beginning after the Closing Date shall be held in trust by Purchaser for the benefit of the Sellers and paid by Purchaser to the Sellers within thirty (30) days after receipt of such refunds.

8.7 Negative Tax Covenant. Without the prior consent of Sellers, not to be unreasonably withheld, Purchaser shall

not, and shall cause its Affiliates not to, absent clear conflict with applicable Law or the existing reporting position or information, (i) amend, refile or otherwise modify any Tax Return, or make, change or revoke any Tax election, (ii) initiate discussions or examinations with any Governmental Body regarding Taxes of any Company Entity for any Pre-Closing Tax Period, or (iii) make any voluntary disclosures with respect to Taxes of any Company Entity for any Pre-Closing Tax Period.

8.8 Tax Matter Disputes. Any dispute in connection with the preparation and filing of Tax Returns pursuant to this Article VIII or any Tax Claim pursuant to Section 8.3 shall be resolved by an independent accounting firm mutually acceptable to the Sellers and Purchaser. Each of the Sellers and Purchaser shall submit to such independent accounting firm its own proposed calculation of such disputed items. The fees, costs and expenses of such independent accounting firm shall be borne equally by Purchaser on the one hand and the Sellers on the other. If any dispute with respect to a Tax Return is not resolved prior to the due date of such Tax Return, such Tax Return shall be filed in the manner that the party responsible for preparing such Tax Return deems correct, without prejudice to the rights of the other party.

ARTICLE IX

MISCELLANEOUS

9.1 Expenses. Except as otherwise provided in this Agreement, the Sellers and Purchaser shall each bear their own expenses incurred in connection with the negotiation and

60

execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby.

9.2 Specific Performance. The parties hereto acknowledge and agree that a breach of this Agreement by any party would cause irreparable damage to the other party and that such other party will not have an adequate remedy at law. Therefore, the obligations of the parties under this Agreement shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, be cumulative and not exclusive and shall be in addition to any other remedies which any party may have under this Agreement or otherwise.

9.3 Entire Agreement; Amendments and Waivers. This Agreement (including the schedules and exhibits hereto), the Seller Documents, the Company Documents, and the Purchaser Documents, represent the entire understanding and agreement among the parties hereto or between or among any of them with respect to the subject matter hereof and can be terminated, amended, supplemented or changed, and any provision hereof can be waived, only by a written instrument making specific reference to this Agreement signed by the party against whom enforcement of any such termination, amendment, supplement, modification or waiver is sought. The Confidential Disclosure Agreement, dated October 1, 2017, between Purchaser and the Company Group is hereby terminated and shall have no further force or effect. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any provision of this Agreement. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder.

9.4 Governing Law.

(a) This Agreement shall be governed by and construed in accordance with the Laws of the State of North Carolina applicable to contracts made and performed in such State without giving effect to any choice or conflict of law provision or rule (whether of the State of North Carolina or any other jurisdiction).

(b) ANY LEGAL SUIT, ACTION OR PROCEEDING ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY MAY BE INSTITUTED ONLY IN THE COURTS OF THE STATE OF NORTH CAROLINA, COUNTY OF DURHAM, OR, IF IT HAS OR CAN ACQUIRE JURISDICTION, IN THE UNITED STATES DISTRICT COURT FOR THE MIDDLE DISTRICT OF NORTH CAROLINA LOCATED IN THE CITY OF DURHAM, NORTH CAROLINA, AND EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING. SERVICE OF PROCESS,

61

SUMMONS, NOTICE OR OTHER DOCUMENT BY MAIL TO SUCH PARTY'S ADDRESS SET FORTH HEREIN SHALL BE EFFECTIVE SERVICE OF PROCESS FOR ANY SUIT, ACTION OR OTHER PROCEEDING BROUGHT IN ANY SUCH COURT. THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY OBJECTION TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR ANY PROCEEDING IN SUCH COURTS AND IRREVOCABLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

9.5 Notices. All notices and other communications under this Agreement shall be in writing and shall be deemed given (i) when delivered personally in hand (with written confirmation of receipt), (ii) upon delivery by overnight courier (with written confirmation of receipt) or (iii) on the date of transmission if sent by facsimile, electronic mail or other wire transmission during normal business hours (and if not, on the next succeeding Business Day), in each case at the following addresses or facsimile numbers (or to such other address or facsimile number as a party may have specified by notice given to the other party pursuant to this provision):

9.6 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any Law or public policy, all other terms or provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

9.7 Binding Effect; Assignment. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any person or entity not a party to this Agreement except as provided below. No assignment of this Agreement or of any rights or obligations hereunder may be made by either the Sellers or Purchaser (by operation of law or otherwise) without the prior written consent of the other parties hereto and any attempted assignment without the required consents shall be void; provided, however, that Purchaser may assign this Agreement and any or all rights or obligations hereunder (including Purchaser's rights to seek indemnification hereunder) to any Affiliate of Purchaser, any Person from which it has borrowed money or any Person to which Purchaser or any of its Affiliates proposes to sell all or substantially all of the assets relating to the business; provided, that no such assignment of rights or obligations shall relieve Purchaser of its obligations hereunder. Upon any such permitted assignment, the references in this Agreement to Purchaser shall also apply to any such assignee unless the context otherwise requires.

9.8 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

under, or give rise to a right of termination or cancellation under any provision of (i) the certificate of incorporation and by-laws of Parent or the articles of incorporation and by-laws of Merger Sub; (ii) any Contract to which Parent or Merger Sub is a party or by which any of the properties or assets of Parent or Merger Sub are bound; (iii) any Order of any Governmental Body applicable to Parent or Merger Sub or by which any of the properties or assets of Parent or Merger Sub are bound; or (iv) any applicable Law.

(b) Except as set forth in Section 5.3(b) of the Disclosure Schedule hereto, no consent, waiver, approval, Order, Permit or authorization of, or declaration or filing with, or notification to, any Person or Governmental Body is required on the part of Parent or Merger Sub in connection with the execution and delivery of this Agreement or the Purchaser Documents or the compliance by Parent or Merger Sub with any of the provisions hereof or thereof or the consummation of the transactions contemplated hereby or thereby.

5.4 Litigation. There are no Legal Proceedings pending or, to the Knowledge of Purchaser, threatened against Parent or Merger Sub or to which Parent or Merger Sub is otherwise a party relating to this Agreement, the Purchaser Documents or the transactions contemplated hereby and thereby.

5.5 Ownership and Operations of Merger Sub. As of the date of this Agreement, the authorized capital stock of Merger Sub consists of 100 shares of common stock, no par value per share, all of which are validly issued and outstanding. All of the issued and outstanding capital stock of Merger Sub is, and at the Effective Time will be, owned by Parent. Merger Sub has not conducted any business other than incident to its formation and pursuant to this Agreement, the Merger and the other transactions contemplated hereby.

5.6 Independent Investigation. Parent has conducted its own independent investigation, review and analysis of the business, results of operations, prospects, condition (financial or otherwise) or assets of the Company, and acknowledges that it has been provided adequate access to the personnel, properties, assets, premises, books and records, and other documents and data of the Sellers and the Company for such purpose. Parent acknowledges and agrees that: (a) in making its decision to enter into this Agreement and to consummate the transactions contemplated hereby, Parent has relied solely upon its own investigation and the express representations and warranties of the Company set forth in Article IV of this Agreement (including the related portions of the Disclosure Schedule); and (b) none of the Sellers, the Company or any other Person is making any representation or warranty as to the Company, except as expressly set forth in Article IV of this Agreement (including the related portions of the Disclosure Schedule).

5.7 Financial Advisors. No Person has acted, directly or indirectly, as a broker, finder or financial advisor for Parent in connection with the transactions contemplated by this Agreement and no Person is entitled to any fee or commission or like payment in respect thereof.

ARTICLE VI

COVENANTS

6.1 Further Assurances. Each of the Sellers, the Company, Parent and Merger Sub shall use its commercially reasonable efforts to take, or cause to be taken, all actions necessary or appropriate to consummate the transactions contemplated by this Agreement. In case at any time after the Closing any further action is necessary to carry out the purposes of this Agreement, each of the parties will take such further action (including the execution and delivery of such further instruments and documents) as any other party reasonably may request.

6.2 Intentionally Omitted.

6.3 Publicity. None of the Sellers shall issue any press release or public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of Parent (it being understood that the parties shall agree upon the text of a press release to be issued following the Closing).

6.4 Use of Names. The Sellers hereby agree that upon the Closing, Parent and the Company shall have the sole right to the use of the name "Zylera Pharma Corp", and similar names and any service marks, trademarks, trade names, d/b/a names, fictitious names, identifying symbols, logos, emblems, signs or insignia related thereto or containing or comprising the foregoing, or otherwise used in the business of the Company, including any name or mark confusingly similar thereto and the trademarks and service marks listed on Section 4.13(a) of the Disclosure Schedule (collectively, the "**Company Marks**"). From and after the Closing, the Sellers shall not, and shall not permit their respective Affiliates to, use such name or any variation or simulation thereof or of any of the Company Marks.

ARTICLE VII

INDEMNIFICATION

7.1 Survival of Representations and Warranties. The representations and warranties of the parties contained in this

Agreement shall survive the Closing through and including the eighteen (18) month anniversary of the Closing Date (the “*Survival Period*”); provided, however, the first sentence of 4.1 (Organization and Good Standing), 4.2 (Authorization of Agreement), 4.4 (Capitalization), and 4.22 (Financial Advisors) (collectively, the “*Fundamental Representations*”) shall continue in full force and effect indefinitely and the representation and warranties set forth in Sections 4.10 (Taxes) and 4.15 (Employee Benefit Plans) shall continue in full force and effect until thirty (30) days after the expiration of the applicable statute of limitations; and provided, further, that any obligations under Sections 7.2(a)(i) and 7.2(b)(i) shall not terminate with respect to any Losses as to which the Person to be indemnified shall have given notice (stating in reasonable detail, to the extent practicable, the basis of the claim for indemnification) to the indemnifying party in accordance with Section 7.3(a) or Section 8.3 before the termination of the applicable Survival Period. Notwithstanding any other provision of this Agreement, no claim for indemnification in respect of any breach or alleged breach of a representation or warranty set forth in this Agreement may be made, and no

indemnification shall be owing in respect of any such claim made, after the end of the applicable Survival Period for such representation or warranty.

7.2 Indemnification.

(a) Subject to the limitations set forth in Sections 7.1 and 7.4, the Sellers, jointly and severally, hereby agree to indemnify and hold Purchaser, the Company, and their respective directors, officers, employees, Affiliates, stockholders, agents, attorneys, representatives, successors and permitted assigns (collectively, the “*Purchaser Indemnified Parties*”) harmless from and against, and pay to the applicable Purchaser Indemnified Parties the amount of, any and all losses, liabilities, claims, obligations, deficiencies, demands, judgments, interest, fines, penalties, suits, actions, causes of action, assessments, awards, costs and expenses (including costs of investigation and defense and reasonable attorneys’ and other professionals’ fees), whether or not involving a third party claim and damages to the extent the foregoing has, would or will give rise to a claim for damages under Law, but in all cases excluding exemplary or punitive damages except to the extent such damages are paid in relation to a Third Party Claim (individually, a “*Loss*” and, collectively, “*Losses*”):

(i) based upon, attributable to or resulting from the failure of any of the representations or warranties made by the Company in this Agreement to be true and correct as of the date hereof;

(ii) based upon, attributable to or resulting from the breach of any covenant or other agreement on the part of the Sellers or (prior to the Closing) the Company under this Agreement; or

(iii) for or attributable to any Taxes of the Company for all Pre-Closing Tax Periods (determined, with respect to the pre-Closing portion of any Straddle Period, by applying the provisions of Section 8.5).

(b) Subject to the limitations set forth in Sections 7.1 and 7.4, Parent hereby agrees to indemnify and hold the Sellers and their respective Affiliates, stockholders, agents, attorneys, representatives, successors and permitted assigns (collectively, the “*Seller Indemnified Parties*”) harmless from and against, and pay to the applicable Seller Indemnified Parties the amount of any and all Losses:

(i) based upon, attributable to or resulting from the failure of any of the representations or warranties made by Parent or Merger Sub in this Agreement to be true and correct in all respects as of the date hereof; and

(ii) based upon, attributable to or resulting from the breach of any covenant or other agreement on the part of Parent or Merger Sub under this Agreement.

(c) For purposes of determining the amount of any Losses incurred by a party seeking indemnification hereunder (but not for purposes of determining whether there has been a breach of any representation or warranty in this Agreement), each representation or warranty set forth herein shall be read without regard and without giving effect to any materiality or Material Adverse Effect standard or qualification.

(d) The right to indemnification or any other remedy based on representations, warranties, covenants and agreements in this Agreement shall not be affected by any investigation by or knowledge of the party seeking indemnification hereunder, whether conducted or obtained before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of, or compliance with, any such representation, warranty, covenant or agreement.

7.3 Indemnification Procedures.

(a) A claim for indemnification for any matter not involving a third party claim shall be asserted by notice to the party from whom indemnification is sought; provided, however, that failure to so notify the indemnifying party shall not preclude the indemnified party from any indemnification which it may claim in accordance with this Article VII except to the extent that the indemnifying party is actually prejudiced as a result of such failure. In the case of any claim for indemnification in respect of a breach of representation or warranty, such claim must be made within the applicable Survival Period for such representation or warranty. In the case of any claim for indemnification in respect of a breach of covenant, such claim must be made within the period of the statute of

limitations following the date performance was due.

(b) In the event that any Legal Proceedings shall be instituted or any claim or demand shall be asserted by any third party in respect of which indemnification may be sought under Section 7.2 hereof other than Tax Claims, which shall be governed by Section 8.3 (a “**Third Party Claim**”), the indemnified party shall promptly cause written notice of the assertion of any Third Party Claim to be forwarded to the indemnifying party. The failure of the indemnified party to give reasonably prompt notice of any Third Party Claim shall not release, waive or otherwise affect the indemnifying party’s obligations with respect thereto except to the extent that the indemnifying party is actually prejudiced as a result of such failure. Subject to the provisions of this Section 7.3, the indemnifying party shall have the right, at its sole expense, to be represented by counsel of its choice, which must be reasonably satisfactory to the indemnified party. The indemnifying party shall have the right, at its sole expense, to defend against, negotiate, settle or otherwise deal with any Third Party Claim which relates to any Losses indemnified against hereunder so long as the amount of indemnifiable Losses in respect of such Third Party Claim is not, in the reasonable judgment of Parent, reasonably likely to exceed the Cap when aggregated with all other Losses; provided, that the indemnifying party shall have acknowledged in writing to the indemnified party its obligation to indemnify the indemnified party as provided (and subject to any applicable limitations on indemnification) hereunder. If the indemnifying party elects to defend against, negotiate, settle or otherwise deal with any such Third Party Claim, it shall within ten (10) Business Days of its receipt of the indemnified party’s written notice of the assertion of such Third Party Claim notify the indemnified party of its intent to do so; provided, that the indemnifying party must conduct the defense of the Third Party Claim actively and diligently thereafter in order to preserve its rights in this regard. If the indemnifying party elects not to (or is not eligible to) defend against, and (subject to the other limitations set forth in this Agreement) negotiate, settle or otherwise deal with any Third Party Claim which relates to any Losses indemnified against hereunder, fails to notify the indemnified party of its election as herein provided or contests its obligation to indemnify the indemnified party for such Losses under this Agreement, this shall not waive the indemnifying party’s right to dispute that it is obligated to indemnify the indemnified party

hereunder, and the indemnified party may defend against, negotiate, settle or otherwise deal with such Third Party Claim. If the indemnified party defends any Third Party Claim for which the indemnifying party is liable to indemnify it hereunder, then the indemnifying party shall reimburse the indemnified party (subject to any applicable limitations on indemnification hereunder) for the expenses of defending such Third Party Claim upon submission of periodic bills. If the indemnifying party shall assume the defense of any Third Party Claim, the indemnified party may participate in (but not control), at his or its own expense, the defense of such Third Party Claim; provided, however, that such indemnified party shall be entitled to participate in (but not control) any such defense with separate counsel at the expense of the indemnifying party if (i) so requested by the indemnifying party to participate or (ii) in the reasonable opinion of counsel to the indemnified party, a conflict or potential conflict of interests exists between the indemnified party and the indemnifying party that would make such separate representation advisable; and provided, further, that the indemnifying party shall not be required to pay for more than one such counsel for all indemnified parties in connection with any Third Party Claim. The parties hereto agree to provide reasonable access to the other to such documents and information as may be reasonably requested in connection with the defense, negotiation or settlement of any such Third Party Claim.

(c) Notwithstanding anything in this Section 7.3 to the contrary, upon assuming the defense of any Third Party Claim, the indemnifying party shall not, without the written consent of the indemnified party (which shall not be unreasonably withheld or delayed), settle or compromise any Third Party Claim or permit a default or consent to entry of any judgment unless such settlement or judgment (i) relates solely to monetary damages for which the indemnifying party shall be responsible and (ii) includes an unqualified release of the indemnified party from all liability in respect of the Third Party Claim. If the indemnifying party makes any payment on any Third Party Claim, the indemnifying party shall be subrogated, to the extent of such payment, to all rights and remedies of the indemnified party to any insurance benefits or other claims of the indemnified party with respect to such Third Party Claim (less any fees and expenses (including any increase in insurance premiums) incurred in obtaining such recovery); provided, that the indemnifying party shall take commercially reasonable efforts to prevent any disruption or interference with the indemnified party’s commercial relationships.

(d) After any final decision, judgment or award shall have been rendered by a Governmental Body of competent jurisdiction and the expiration of the time in which to appeal therefrom, or a settlement shall have been consummated, or the indemnified party and the indemnifying party shall have arrived at a mutually binding agreement, in each case with respect to an Third Party Claim hereunder, the indemnified party shall forward to the indemnifying party notice of any sums due and owing by the indemnifying party pursuant to this Agreement with respect to such matter and the indemnifying party shall pay all of such remaining sums so due and owing to the indemnified party in accordance with Section 7.5 by wire transfer of immediately available funds within five (5) Business Days after the date of such notice.

7.4 Limitations on Indemnification for Breaches of Representations and Warranties.

(a) An indemnifying party shall not have any liability under Sections 7.2(a)(i) or Section 7.2(b)(i) hereof until the aggregate amount of Losses incurred by the indemnified parties and indemnifiable thereunder based upon, attributable to or resulting from the failure of any of the representations or warranties to be true and correct exceeds Twenty-One Thousand Seven Hundred Fifty Dollars (\$21,750) (the “**Basket**”) and, in such event, the indemnifying party shall be required to pay the amount in excess of the Basket (subject to the other limitations on indemnification set forth in this Agreement); provided, however, that the Basket shall not apply in the event of any failure of any of the Fundamental Representations to be true and correct or in the event of fraud.

(b) An indemnifying party shall not have any liability under Sections 7.2(a)(i) or Section 7.2(b)(i) hereof for an

aggregate amount of Losses exceeding Four Hundred Thousand Dollars (\$400,000) (the “*Cap*”); provided, however, that the Cap shall not apply in the event of any failure of any of the Fundamental Representations to be true and correct or in the event of fraud, but the aggregate amount of Losses for which an indemnifying party shall have liability in respect of any failure of the Fundamental Representations to be true and correct or in the event of fraud shall not exceed the amount of the Merger Consideration.

(c) Except in the event of fraud, the provisions of this Article VII and Section 8.3 are the sole and exclusive basis for the assertion of claims against, or the imposition of liability on, any party hereto or any officer or director of any party hereto or the Company in connection with the ownership or operation of the Company prior to the Closing, or this Agreement and the transactions contemplated hereby, whether based on contract, tort, statute, regulation or otherwise. Each party irrevocably waives and relinquishes, and agrees not to assert or pursue, any claim not based on the provisions of this Article VII, Section 8.3 or Section 9.2.

7.5 Escrow; Indemnity Equity Shares.

(a) Intentionally Omitted.

(b) If any Purchaser Indemnified Party becomes entitled to indemnification under this Article VII, then Parent shall transfer from Sellers to the applicable Purchaser Indemnified Parties such number of Indemnity Equity Shares having a value equal to the Losses to which such Purchaser Indemnified Party is entitled to indemnification. Within five (5) Business Days after the date that is eighteen (18) months following the Closing Date, Parent shall release to the Sellers, allocated between the Sellers in proportion to their Percentage Interests, any portion of the Indemnity Equity Shares that is not subject to then-pending claims made by any Purchaser Indemnified Party under this Article VII prior to such time. If any claim made by any Purchaser Indemnified Party is still pending as of such time, then Parent shall retain a portion of the Indemnity Equity Shares representing an amount equal to the amount of such Losses relating to such pending claims, which shares shall be retained by Parent in the names of Sellers until such claims have been satisfied or otherwise resolved, at which point, Parent shall (i) transfer to the applicable Purchaser Indemnified Parties such number of

Indemnity Equity Shares having a value equal to the Losses to which such Purchaser Indemnified Party is entitled to indemnification in connection with resolution of such claims, and (ii) release to the Sellers any remaining portion of the Indemnity Equity Shares. Each Seller covenants and agrees that it will not distribute, grant or transfer any interest in the Indemnity Equity Shares to any other Person prior to the expiration of the Survival Period, and any such attempted transfer shall be void *ab initio*.

7.6 Claw Back of Equity. In the event that any Purchaser Indemnified Party is entitled to any payment pursuant to this Article VII that is not paid from the Indemnity Equity Shares nor, following demand therefor, by the Sellers, Purchaser shall have the right, in its sole discretion, to redeem such portion of the Parent shares then held by the Sellers or in the Sellers’ names having a value equal to the amount of Losses that have not been paid.

7.7 Characterization of Indemnity Payments. Any payments made to any Purchaser Indemnified Party or Seller Indemnified Party pursuant to this Article VII shall constitute an adjustment of the consideration paid for the Company Common Stock for Tax purposes and shall be treated as such by the parties on their Tax Returns to the extent permitted by applicable Law.

ARTICLE VIII

TAX MATTERS

8.1 Preparation and Filing of Tax Returns; Payment of Taxes.

(a) The Sellers shall prepare or cause to be prepared all Tax Returns of the Company for any taxable period that ends on or prior to the Closing Date that are due to be filed (taking into account extensions) after the Closing Date, and shall pay or cause to be paid all Taxes shown due thereon. Such Tax Returns shall be prepared in accordance with the past custom and practice of the Company in preparing its Tax Returns except as otherwise required by applicable Law. To the extent any such Tax Return is required to be filed by the Company, the Sellers shall deliver such Tax Return to the Company at least thirty (30) Business Days prior to the due date for filing such Tax Return (taking into account extensions), and the Company will thereupon timely file or cause to be timely filed such Tax Return. The Sellers shall provide a copy to Parent of, and permit Parent to review and comment on, each such Tax Return at least twenty (20) days in the case of income Tax Returns, and at least fifteen (15) days in the case of other types of Tax Returns, prior to filing, and Sellers shall incorporate any timely and reasonable comments requested by Parent to the extent such comments and the related Tax treatment (i) are in accordance with applicable Tax Law, (ii) could have any material effect on the amount of Taxes in any post-Closing period for which Parent or its Affiliates (including the Company after Closing) is liable, and (iii) will not materially increase the amount of Taxes for the Sellers for any Pre-Closing Tax Period or the portion of any Straddle Period prior to the Closing Date.

(b) Parent shall prepare or cause to be prepared and timely file or cause to be timely filed all Tax Returns of the Company for any Straddle Period that are due after the Closing Date, and shall pay or cause to be paid all Taxes shown due thereon. To the extent that

such Tax Returns relate to the portion of any Straddle Period ending on the Closing Date, such Tax Returns shall be prepared in accordance with the past custom and practice of the Company in preparing its Tax Returns except as otherwise required by applicable

Law. Parent shall permit the Sellers to review and comment on the applicable portion of each such Tax Return relating to the Pre-Closing Tax Period at least ten (10) days prior to filing, and Parent shall incorporate any timely and reasonable comments requested by any Seller to the extent such comments and the related Tax treatment (i) are in accordance with applicable Tax Law, (ii) could have any material effect on the amount of Taxes in any Pre-Closing Tax Period for which the Sellers are liable, and (iii) will not materially increase the amount of Taxes for Parent or any of its Affiliates (including the Company after the Closing Date) for any Tax Period beginning after the Closing Date or the portion of any Straddle Period after the Closing Date.

8.2 Cooperation on Tax Matters. Parent, the Company and the Sellers shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax Returns pursuant to this Agreement and any Legal Proceeding or other proceeding with respect to Taxes. Such cooperation shall include the retention and (upon the other party's request) the provision of records and information that are reasonably relevant to any such Legal Proceeding or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Parent, the Company and the Sellers agree to retain all books and records with respect to Tax matters pertinent to the Company relating to any Pre-Closing Tax Period until the expiration of the applicable statute of limitations (and, to the extent notified by Parent, any extensions thereof), and to abide by all record retention agreements entered into with any Governmental Body and to give the other party reasonable written notice prior to transferring, destroying or discarding any such books and records, and if the other party so requests, Parent, the Company and the Sellers, as the case may be, shall allow the other party to take possession of such books and records at such other party's expense.

8.3 Tax Claims. If, after the Closing, any of Purchaser or the Company receives notice of a claim by any Governmental Body that, if successful, would result in indemnification by the Sellers pursuant to Section 7.2(a)(i) as a result of a breach of any representation or warranty set forth in Section 4.10 (Taxes) or Section 7.2(a)(iii) (a "**Tax Claim**"), then after receipt of such notice, Parent or the Company, as the case may be, shall give reasonably prompt notice of such Tax Claim to the Sellers; provided, however, that the failure to give reasonably prompt notice of any Tax Claim shall not release, waive or otherwise affect the Sellers' obligations with respect thereto except to the extent that the Sellers are actually prejudiced as a result of such failure. The Sellers shall have the right, at the expense of the Sellers, to control the conduct and resolution of any Tax Claim relating to a Pre-Closing Tax Period, but not to any Straddle Period if the Tax Claim could or will have any effect on any Taxes or Tax Return relating to a period after the Closing Date.

8.4 Transfer Taxes. All transfer, documentary, sales, use, stamp, registration and other substantially similar Taxes and fees incurred in connection with this Agreement (collectively, "**Transfer Taxes**") shall be borne and paid by Parent, and Parent will file all necessary Tax Returns and other documentation with respect to all such Transfer Taxes; provided, however, that this Section shall not apply to any income or franchise Taxes or similar state or local Taxes imposed on the Sellers or any of the Company Group by reason of the sale of

43

the Company Common Stock, which shall be borne and paid solely by the Sellers or their direct or indirect owners, as appropriate.

8.5 Convention for Allocating Taxes. To the extent permitted under applicable Law, the Company shall close its income Tax (or similar sort of Taxes) taxable year as of the close of business on the Closing Date; provided however, that if the Company is required to file a Tax Return for a Straddle Period, the portion of Taxes for a Straddle Period that relates to the Pre-Closing Tax Period shall be calculated as though the taxable period of the Company terminated as of the close of the Closing Date; and provided, further, that in the case of a Tax not based on income, receipts, proceeds, profits or similar items (or items determined on an annual basis such as depreciation or amortization), the portion of the Tax (or item) for a Pre-Closing Tax Period shall be equal to the amount of Tax (or item) for the entire Straddle Period multiplied by a fraction, the numerator of which is the total number of days from the beginning of the Straddle Period through (and including) the Closing Date and the denominator of which is the total number of days in the Straddle Period.

8.6 Refunds. All refunds of Taxes (including any interest thereon) from a Tax authority in respect of the Company for any Pre-Closing Tax Period (or any such refund for a Pre-Closing Tax Period) that is credited against a Tax liability of Parent, the Company, or any of their respective Affiliates for any taxable period (or portion thereof) beginning after the Closing Date shall be held in trust by Parent for the benefit of the Sellers and paid by Parent to the Sellers within thirty (30) days after receipt of such refunds; provided, however, that to the extent such refunds of Taxes (including any interest thereon) exceed \$200,000, Parent shall be permitted in its discretion to pay any additional amount of such refunds in the form of shares of Parent (instead of cash).

8.7 Negative Tax Covenant. Without the prior consent of Sellers, not to be unreasonably withheld, Parent shall not, and shall cause its Affiliates not to, absent clear conflict with applicable Law or the existing reporting position or information, (i) amend, refile or otherwise modify any Tax Return, or make, change or revoke any Tax election, (ii) initiate discussions or examinations with any Governmental Body regarding Taxes of the Company for any Pre-Closing Tax Period, or (iii) make any voluntary disclosures with respect to Taxes of the Company for any Pre-Closing Tax Period.

8.8 Tax Matter Disputes. Any dispute in connection with the preparation and filing of Tax Returns pursuant to this Article VIII or any Tax Claim pursuant to Section 8.3 shall be resolved by an independent accounting firm mutually acceptable to the Sellers and Parent. Each of the Sellers and Parent shall submit to such independent accounting firm its own proposed calculation of such disputed items. The fees, costs and expenses of such independent accounting firm shall be borne equally by Parent on the one hand and the Sellers on the other. If any dispute with respect to a Tax Return is not resolved prior to the due date of such Tax Return, such Tax Return shall be filed in the manner that the party responsible for preparing such Tax Return deems correct, without prejudice to the rights of the other party.

44

ARTICLE IX

MISCELLANEOUS

9.1 Expenses. Except as otherwise provided in this Agreement, the Sellers, the Company and Purchaser shall each bear their own expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby.

9.2 Specific Performance. The parties hereto acknowledge and agree that a breach of this Agreement by any party would cause irreparable damage to the other party and that such other party will not have an adequate remedy at law. Therefore, the obligations of the parties under this Agreement shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, be cumulative and not exclusive and shall be in addition to any other remedies which any party may have under this Agreement or otherwise.

9.3 Entire Agreement; Amendments and Waivers. This Agreement (including the schedules and exhibits hereto), the Company Documents, and the Purchaser Documents, represent the entire understanding and agreement among the parties hereto or between or among any of them with respect to the subject matter hereof and can be terminated, amended, supplemented or changed, and any provision hereof can be waived, only by a written instrument making specific reference to this Agreement signed by the party against whom enforcement of any such termination, amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any provision of this Agreement. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy hereunder.

9.4 Governing Law.

(a) This Agreement shall be governed by and construed in accordance with the Laws of the State of North Carolina applicable to contracts made and performed in such State without giving effect to any choice or conflict of law provision or rule (whether of the State of North Carolina or any other jurisdiction).

(b) ANY LEGAL SUIT, ACTION OR PROCEEDING ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY MAY BE INSTITUTED ONLY IN THE COURTS OF THE STATE OF NORTH CAROLINA, COUNTY OF DURHAM, OR, IF IT HAS OR CAN ACQUIRE JURISDICTION, IN THE UNITED STATES DISTRICT COURT FOR THE MIDDLE DISTRICT OF NORTH CAROLINA LOCATED IN THE CITY OF DURHAM, NORTH CAROLINA, AND EACH PARTY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF SUCH

45

COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING. SERVICE OF PROCESS, SUMMONS, NOTICE OR OTHER DOCUMENT BY MAIL TO SUCH PARTY'S ADDRESS SET FORTH HEREIN SHALL BE EFFECTIVE SERVICE OF PROCESS FOR ANY SUIT, ACTION OR OTHER PROCEEDING BROUGHT IN ANY SUCH COURT. THE PARTIES IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY OBJECTION TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR ANY PROCEEDING IN SUCH COURTS AND IRREVOCABLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

9.5 Notices. All notices and other communications under this Agreement shall be in writing and shall be deemed given (i) when delivered personally in hand (with written confirmation of receipt), (ii) upon delivery by overnight courier (with written confirmation of receipt) or (iii) on the date of transmission if sent by facsimile, electronic mail or other wire transmission during normal business hours (and if not, on the next succeeding Business Day), in each case at the following addresses or facsimile numbers (or to such other address or facsimile number as a party may have specified by notice given to the other party pursuant to this provision):

9.6 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any Law or public policy, all other terms or provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

9.7 Binding Effect; Assignment. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Nothing in this Agreement shall create or be deemed to create any third-party beneficiary rights in any person or entity not a party to this Agreement except as provided below. No assignment of this Agreement or of any rights or obligations hereunder may be made by either the Sellers or Purchaser (by operation of law or otherwise) without the prior written consent of the other parties hereto and any attempted assignment without the required consents shall be void; provided, however, that Purchaser may assign this Agreement and any or all rights or obligations hereunder (including Purchaser's rights to seek indemnification hereunder) to any Affiliate of Purchaser, any Person from which it has borrowed money or any Person to which Purchaser or any of its Affiliates proposes to sell all or substantially all of the assets relating to the business; provided, that no such assignment of rights or obligations shall relieve Purchaser of its obligations hereunder. Upon any such permitted assignment, the references in this Agreement to Purchaser or Parent shall also apply to any such assignee unless the context otherwise requires.

9.8 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

(NASDAQ: CERC) and TRx Pharmaceuticals, LLC (TRx) today announced that the companies have entered into a purchase agreement in which Cerecor will acquire TRx, including subsidiary Zylera Pharmaceuticals, LLC and its franchise of commercial medications led by Poly-Vi-Flor® (multivitamin and fluoride supplement tablet, chewable) and Tri-Vi-Flor® (multivitamin and fluoride supplement suspension/drops) and a merger agreement in which Cerecor will acquire Zylera Pharma Corp. Operationally, we believe the transaction adds a highly-effective commercial unit that will drive a solid revenue stream to help us advance our pipeline of drug candidates for rare neurologic diseases,” said Steven Boyd, majority shareholder and Cerecor Board Member. “Following this and other recent transactions, we believe Cerecor is well-capitalized to acquire additional products with a near-term goal of becoming a self-sustained, integrated pharmaceutical company.”

“TRx is excited to be bring its expertise to Cerecor, which enables the company to have a built-out commercial operation with deep relationships in the pediatric space,” said Robert Moscato, co-founder and chief executive officer of TRx. “We look forward to contributing to the future success of Cerecor.”

Under the terms of the transactions, Cerecor will make an initial payment of \$23 million for the purchase of TRx, of which \$18.9 million will be in cash and the remaining \$4.1 million in Cerecor common stock, and will pay \$4 million for the acquisition of Zylera Pharma Corp, paid in Cerecor common stock. TRx shareholders will be eligible to receive up to an additional \$7 million in contingent payments upon achievement of certain commercial and regulatory milestones. Torreya Partners advised TRx of the transaction. Prior to the acquisition, TRx was expected to achieve approximately \$13 million in net sales for 2017.

In August 2017, Cerecor sold full worldwide rights to CERC-501 to Janssen Pharmaceuticals, Inc. in exchange for initial gross proceeds of \$25 million, of which \$3.75 million was deposited into a twelve-month escrow to secure certain indemnification obligations to Janssen, as well as a potential future \$20 million regulatory milestone payment.
