(a) Payment of the Purchase Price. Subject to the terms and conditions set forth herein, including, without limitation, the required deliveries set forth in Section 2.10.1(b), at the Closing, Parent shall issue to each Holder his, her or its share of the Estimated Closing Merger Consideration as set forth on the Securities Payment Schedule.

(b) Prior to the Closing, Company shall send to each Stockholder of record: (i) a letter of transmittal in substantially the form attached hereto as **Exhibit E** (each, a "Letter of Transmittal") (which will specify that delivery will be effected and risk of loss and title to the Certificates will pass, only upon receipt of the Certificates by Parent and will contain a release of claims substantially in the form of Section 5.13, an appointment of Holders' Representative as provided for in Section 8.4 and an agreement to indemnify Parent Indemnified Persons for Losses as provided in Section 8.2) and (ii) instructions to surrender the Certificates in exchange for payment of the applicable portion of the Total Merger Consideration, if any. Upon surrender by a holder of a Certificate for cancellation to Parent (or an affidavit of loss in a form reasonably satisfactory to Parent in the case of any Certificate(s) found to be missing), together with such Letter of Transmittal, duly completed and validly executed in accordance with the instructions (and such other customary documents as may reasonably be required by Parent), the holder of such Certificate will be entitled to receive in exchange therefor, subject to Section 2.10.5, the consideration, if any, provided for herein and the Certificate so surrendered will thereafter be canceled. If payment of any portion of the Total Merger Consideration is to be made to any Person other than the Person in whose name the surrendered Certificate is registered, it will be a condition of payment that (x) the Certificate so surrendered be properly endorsed or otherwise be in proper form for transfer in accordance with Section 2.10.2 and (y) the Person requesting such payment will have paid any transfer and other Taxes required by reason of the payment of the applicable portion of the Total Merger Consideration to a Person other than the registered holder of such Certificate surrendered or will have established to the reasonable satisfaction of Parent that such Tax either has been paid or is not applicable. After the Effective Time, each Certificate will represent only the right to receive the applicable portion of the Total Merger Consideration, as contemplated by this ARTICLE II.

(c) At least two (2) Business Days prior to the Closing Date, the Company shall have delivered to each holder of a Company Option an Option Termination Agreement.

2.10.2 Transfer Books; No Further Ownership Rights in Company Stock. The Closing Merger Consideration paid in respect of shares of Company Capital Stock (together with the contingent right to receive, if, when and to the extent payable, the Milestone Payments) upon the surrender of Certificates (or an affidavit of loss in a form reasonably satisfactory to Parent in the case of any Certificate(s) found to be missing) in accordance with the terms of this ARTICLE II will be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Company Capital Stock previously represented by such Certificates. At the close of business on the day on which the Effective Time occurs, the stock transfer books of the Company will be closed and thereafter there will be no further registration of transfers on the transfer books of the Surviving Company of the shares of Company Capital Stock that were outstanding immediately prior to the Effective Time. If, at any time after the Effective Time, Certificates are presented to Parent or the Surviving Company for any reason, they will be canceled and exchanged as provided in this ARTICLE II.

2.10.3 Lost, Stolen or Destroyed Certificates. If any Certificate is lost, stolen or destroyed, upon the making of an affidavit of the fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, such Person will indemnify against any claim that may be made with respect to such Certificate, Parent shall pay, subject to Section 2.10.5, in exchange for such lost, stolen or destroyed Certificate, the applicable portion of the Total Merger Consideration to be paid in respect of the shares of Company Capital Stock formerly represented by such Certificate, as contemplated by this ARTICLE II. Notwithstanding anything in this Agreement to the contrary, Parent shall not be obligated or required to post a bond for any Holder for any reason in connection with a lost, stolen or destroyed Certificate or otherwise.

2.10.4 No Liability. Notwithstanding anything in this Agreement to the contrary, none of the Parties will be liable to any Person for any portion of the Total Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

2.10.5 Withholding Taxes. Parent, the Company and the Surviving Company shall deduct and withhold from any payment payable to a Holder under this Agreement and shall pay to the appropriate Taxing Authority such amounts that are required to be deducted and withheld with respect to the making of such payment under any Tax Law. To the extent amounts are so withheld and duly paid to the appropriate Taxing Authority, the withheld amounts will be treated for purposes of this Agreement as having been paid to the Holder in respect of which such deduction and withholding was made.

2.10.6 Tax Consequences.

(a) The Mergers are intended to be treated as integrated steps in a single transaction and together qualify as a “reorganization” within the meaning of Section 368(a)(1) of the Code, and this Agreement is intended to constitute a “plan of reorganization” within the meaning of Treasury Regulations Section 1.368-2(g) and 1.368-3. Each party hereto shall cause all Tax Returns relating to the Mergers to be filed on the basis of treating the Mergers as a “reorganization” within the meaning of Section 368(a)(1) of the Code (including filing the statement required by Treasury Regulations Section 1.368-3), unless otherwise required by a “determination” (within the meaning of Section 1313(a) of the Code), and will not knowingly take any action, allow any action to be taken or fail to take any action required hereby that could reasonably be expected to prevent or impede the Mergers from qualifying as a reorganization within the meaning of Section 368(a) of the Code.

(b) Notwithstanding any provision of this Agreement, the allocation of Total Consideration as among cash and Parent Common Stock allocable to Stockholders shall be adjusted, by decreasing the cash portion and correspondingly increasing the portion of Total Consideration paid in Parent Common Stock, if and to the extent necessary to assure that the Stockholders receive sufficient

19

Parent Common Stock such that, when aggregated with Parent Common Stock previously paid as Total Consideration to the Stockholders (if any), the amount of Parent Common Stock is not less than the minimum amount of Parent Common Stock necessary to satisfy the requirements for qualification as a reorganization under Section 368(a)(1)(A) of the Code.

2.10.7 Restrictions on Resale. Until the December 31, 2019 (the “Lockup Date”), the holders of the shares of Parent Common Stock issued as Closing Merger Consideration may not (i) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any of such shares, or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such shares, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or other securities, in cash, or otherwise; *provided, however*, that (a) this Section 2.10.7 shall not apply (x) in the case of such holder that is an entity, upon a transfer by such holder to its stockholders, members, partners or other equity holders and (y) in the case of such holder that is a natural person, upon a transfer by such holder made for bona fide estate planning purposes, either during his or her lifetime or on death by will or intestacy to his or her spouse, child (natural or adopted), or any other direct lineal descendant of such holder (or his or her spouse) (all of the foregoing collectively referred to as “family members”), or any custodian or trustee of any trust, partnership or limited liability company for the benefit of, or the ownership interests of which are owned wholly by such holder or any such family members; provided that the transferee(s) in any such case under (x) or (y) shall be bound by this Section 2.10.7; (b) this Section 2.10.7 shall not apply to holders of the shares of Parent Common Stock issued to the holders of Company Options in connection with Option Cancellation Agreements solely insofar as such holders sell shares of Parent Common Stock up to an amount equal to any Tax liability incurred by such holder in connection with the cancellation of Company Options held by such holder in exchange for the applicable portion of the Closing Options Payout Amount pursuant to Section 2.7.5(b); *provided*, that no filing under Section 16 of the Securities Exchange Act of 1934, as amended, or other public announcements shall be required or voluntarily made by or on behalf of such holder with respect to such sale.

Section 2.11 Share Adjustments. Notwithstanding any provision of this ARTICLE II to the contrary (but without in any way limiting the covenants in Section 5.1 (Conduct of Business)), if between the date hereof and the Effective Time the outstanding shares of any class or series of Company Capital Stock are changed into a different number of shares or a different class or series by reason of the occurrence or record date of any stock dividend, subdivision, reclassification, recapitalization, split, combination, exchange of shares or similar transaction, the Total Merger Consideration will not change but the per share Total Merger Consideration will be appropriately adjusted to reflect such stock dividend, subdivision, reclassification, recapitalization, split, combination, exchange of shares or similar transaction.

Section 2.12 Aggregate Consideration. Notwithstanding anything in this Agreement to the contrary, in no event will the aggregate amounts to be paid to the Holders pursuant to this Agreement with respect to shares of Company Capital Stock exceed (a) in respect of the amounts payable at the Closing, the Closing Merger Consideration and (b) in respect of the amounts payable thereafter, the portion of the Milestone Payments, if any, payable to the Holders.

Section 2.13 Contingent Consideration.

2.13.1 Milestone Payments. In addition to the Closing Merger Consideration, Parent shall pay to the Holders the following contingent consideration (each payment, a “Milestone Payment” and collectively the “Milestone Payments”) upon the occurrence of the Milestone Event(s), as set forth below.

20

	<u>Milestone Event</u>	<u>Milestone Payment</u>
(i)	The first Product is approved for marketing by the FDA under Section 505(b)2 of the FD&C Act (or any equivalent or successor statute thereof) on or prior to December 31, 2021.	\$6,000,000 in cash or, at Parent’s sole discretion, an equivalent amount of Parent Common Stock pursuant to Section 2.13.2(b)(ii) below.

(ii)	The second Product is approved for marketing by the FDA under Section 505(b)2 of the FD&C Act (or any equivalent or successor statute thereof) on or prior to December 31, 2021.	\$5,000,000 in cash or, at Parent’s sole discretion, an equivalent amount of Parent Common Stock pursuant to Section 2.13.2(b)(ii) below.
(iii)	A Product consisting of a protide molecule is approved for marketing by the FDA on or prior to December 31, 2023.	\$4,000,000 in cash or, at Parent’s sole discretion, an equivalent amount of Parent Common Stock pursuant to Section 2.13.2(b)(ii) below.

Each Milestone Payment shall only be due once upon the occurrence of the applicable Milestone Event as indicated above. The Milestone Events may be achieved by the Surviving Company, Parent or a Sublicensee (or any Affiliate thereof). Following the Closing Date until achievement of all Milestone Events set forth above, Parent shall use its, and shall cause its Affiliates to use their respective, Commercially Reasonable Efforts to develop the first Product. Additionally, Parent shall refrain, and shall cause its Affiliates to refrain, from taking any action in bad faith or without any reasonable basis which is intended to prevent, or the primary effect of which is to prevent, the realization of the achievement of any of the Milestone Events set forth above. Parent shall keep the Holders’ Representative reasonably informed as to the progress and results of its and its Affiliates’ and sublicensees’ development activities. Without limiting the foregoing, upon request of the Holders’ Representative, Parent shall provide the Holders’ Representative with a written report on an annual basis (to be delivered within thirty (30) days after the end of each calendar year) summarizing the material Product development activities performed since the last such report with enough reasonable detail. Such reports shall include a reasonably-detailed summary of all data generated in connection with such development activities and summary reports of results of development activities. Parent shall promptly respond to the Holders’ Representative’s reasonable questions or requests for additional information relating to such development activities.

2.13.2 Payment of Milestone Payments.

(a) All Milestone Payments to be paid to the Holders, if any, shall be paid to the Holders in accordance with their respective proportional amount of ownership interest in the Company immediately prior to the Mergers.

(b) The Milestone Payments, if any, to be paid to the Holders shall be paid as follows:

(i) Notification and Payment of Milestone Event Earnout. Parent shall promptly notify the Holders’ Representative in writing after a Milestone Event has been achieved. Within 90 Business Days after notification by Parent to the Holders’ Representative of the realization of a Milestone Event, Parent shall pay or cause to be paid the corresponding Milestone Payment.

(ii) Equity Consideration. Each Milestone Payment to be paid by Parent under this Section 2.13 may be paid, at Parent’s sole discretion, in cash as set forth above and subject to compliance with Section 2.10.6, or in shares of Parent’s common stock (the “Milestone

Consideration Shares”); *provided, however*, that if at the time that any such Milestone Payment is due, Parent is no longer listed on Nasdaq or is not in material compliance with all applicable listing and corporate governance rules for Nasdaq, then such Milestone Payments shall be paid in cash. If Parent elects to deliver all or a portion of a Milestone Payment in the form of Milestone Consideration Shares (each such payment, a “Milestone Equity Consideration Payment”), the total number of Milestone Consideration Shares payable in connection with such Milestone Equity Consideration Payment will be equal to the number obtained by dividing (i) the respective Milestone Payment amount to be paid in Milestone Consideration Shares by (ii) the Average Parent Stock Price on the date two Business Days prior to the achievement of such Milestone Event.

(c) Limitations on Milestone Equity Consideration Payments. Notwithstanding anything to the contrary contained in this Agreement, Parent may, in its sole discretion, make Milestone Payments in the form of Milestone Consideration Shares that are non-voting shares with equivalent economic value as the Parent Common Stock if and to the extent (but only to the extent) that the issuance of such shares as voting shares would exceed the aggregate number of voting shares of Parent Common Stock that Parent may issue without breaching Parent’s obligations under the rules or regulations of Nasdaq. Subject to compliance with Nasdaq rules and regulations and as soon as practicable, Parent shall use reasonable efforts to seek shareholder approval to permit the exchange, at the shareholder’s option, of each non-voting share issued pursuant to this Section 2.13.7(c) for a voting share of Parent Common Stock.

(d) Covenant against Manipulation. No Holder may, directly or indirectly, engage in any short-selling or other trading or market actions in bad faith without any reasonable basis which is intended to reduce, or the primary effect of which is to reduce the price of the Parent Common Stock during a period of determination of the Average Parent Stock Price for purposes of calculating the number of shares issuable as Milestone Consideration Shares.

Section 2.14 Closing Adjustments.

2.14.1 Post-Closing Statement. Within sixty (60) days following the Closing Date, Parent will deliver to the Holders’ Representative a statement (the “Post-Closing Statement”) containing Parent’s recalculation of the actual Closing Merger Consideration as of 11:59 p.m. on the day before the Closing (except with respect to Taxes, which shall be calculated as of close of business on the Effective Date) (the “Final Closing Merger Consideration”), setting forth, in reasonable detail, each of the adjustments made to Base Merger Consideration in such calculation, including, without limitation, Parent’s recalculation of Closing Working Capital (“Final Working Capital”) and the Working Capital Adjustment (the “Final Working Capital Adjustment”). The Post-Closing Statement and the related calculations and determinations will be prepared in good faith from the books and records of the Company and calculated

in accordance with the Accounting Methodology. If Parent fails to deliver the Post-Closing Statement within such sixty (60) calendar day period, the Closing Statement shall be binding upon the parties and the Estimated Closing Merger Consideration, Estimated Closing Working Capital and the Estimated Working Capital Adjustment as determined in accordance therewith shall be Final Closing Merger Consideration, the Final Working Capital and the Final Working Capital Adjustment.

2.14.2 Cooperation. For purposes of complying with the terms set forth in this Section 2.14, each Party shall cooperate with and make available to the other Party and its representatives such information, records, data and working papers and shall permit reasonable access to its facilities and personnel during regular business hours, as may be reasonably required in connection with the preparation and analysis of the Post-Closing Statement and the resolution of any disputes under the Post-Closing Statement.

22

2.14.3 Disputes. Within thirty (30) days following receipt by the Holders' Representative of the Post-Closing Statement, the Holders' Representative shall deliver written notice to Parent of any dispute it has with respect to the Post-Closing Statement. If the Holders' Representative does not so notify Parent of a dispute with respect to the Post-Closing Statement within such thirty (30) day period, the Post-Closing Statement will be final, conclusive and binding on the Parties. In the event the Holders' Representative timely delivers notice of a dispute, Parent and the Holders' Representative shall negotiate in good faith to resolve such dispute. If Parent and the Holders' Representative, notwithstanding such good faith effort, fail to resolve such dispute within thirty (30) days after the Holders' Representative advises Parent of its objections, then Parent and the Holders' Representative jointly shall engage a nationally or regionally recognized public accounting firm that is mutually agreed upon by Parent and the Holders' Representative (the "Accounting Firm") to resolve the dispute as an expert and not an arbitrator. As promptly as practicable thereafter (and, in any event, within fifteen (15) days after the Accounting Firm's engagement), each of the Holders' Representative and Parent shall submit its position on any unresolved elements regarding Holders' Representative objection, supported by any documents and arguments upon which it relies, to the Accounting Firm in writing (with a copy to the other submitting party). Parent and the Holders' Representative shall request that the Accounting Firm render its determination within fifteen (15) days following its receipt of Parent's response. The scope of the disputes to be resolved by the Accounting Firm is limited to the unresolved items to which the Holders' Representative objected. In resolving any disputed item, the Accounting Firm may not assign a value to any item greater than the greatest value claimed for such item by either Party or less than the smallest value claimed for such item by either Party. All determinations made by the Accounting Firm will be final, conclusive and binding on the Parties. The Holders' Representative, on the one hand, and Parent, on the other hand, shall bear all fees and costs of the Accounting Firm based upon the percentage that the portion of the contested amount not awarded to such party bears to the actual amount contested by such Party.

2.14.4 Adjustment.

(a) If the Final Closing Merger Consideration determined pursuant to this Section 2.14 is less than the Estimated Closing Merger Consideration set forth in the Securities Payment Schedule (the amount of such difference, the "Excess Acquisition Shares"), then Parent shall cancel shares of Parent Common Stock equal in value to the Excess Acquisition Shares held by the Holders, on a pro rata basis in accordance with the Securities Payment Schedule. Such cancelled Excess Acquisition Shares will be deemed automatically forfeited by the Holders.

(b) If the Final Closing Merger Consideration is greater than the Estimated Closing Merger Consideration set forth in the Securities Payment Schedule (the amount of such difference, the "Acquisition Shares Shortfall"), then Parent shall issue to each Holder, on a pro rata basis in accordance with the Securities Payment Schedule, shares of Parent Common Stock equal in value to the Acquisition Shares Shortfall in accordance with Section 2.14.4(c). Parent shall issue such shares no later than three (3) Business Days after the determination of the Final Closing Merger Consideration.

(c) Any adjustments made pursuant to this Section 2.14 will be treated as an adjustment to the Total Merger Consideration to the extent permitted by applicable Law. For purposes of this Section 2.14, Parent Common Stock will have a deemed value equal to the Average Parent Stock Price as of the Closing Date.

Section 2.15 Right to Set-off. Subject to Section 8.3.8, Parent shall have the right to withhold, cancel and set off against any amount due to be paid pursuant to this Agreement (whether in cash or Parent Common Stock) the amount of any Losses to which any Parent Indemnified Persons may be entitled under Article VIII of this Agreement.

ARTICLE III: REPRESENTATIONS AND WARRANTIES OF THE COMPANY

As a material inducement to Parent and Merger Subs to enter into this Agreement and effect the Merger, with the understanding that Parent and Merger Subs are relying thereon in entering into this Agreement and consummating the Transactions (including the Merger), the Holders and the Company severally (but not jointly) hereby represent and warrant as of the date hereof and as of the Closing Date to Parent and Merger Subs as follows, except as specifically set forth in the Schedule of Exceptions delivered herewith:

Section 3.1 Organizational Matters.

The Company is a corporation duly incorporated, validly existing and in good standing under the Laws of the State of Delaware and has all requisite power and authority to own or lease all of its properties and assets and to carry on its business as now or currently proposed to be conducted. The Company is duly licensed or qualified to do

business and is in good standing under the laws of each jurisdiction in which it conducts business, except where the failure to be so qualified would not, individually or in the aggregate, have a Company Material Adverse Effect. Section 3.1.1 of the Schedule of Exceptions represents all of the jurisdictions in which the nature of the business conducted by the Company or the character or location of the properties or assets owned, leased or licensed by it makes such licensing or qualification necessary.

3.1.2 Subsidiaries. The Company did not previously and does not currently own or control, directly or indirectly, any interest in any other corporation, partnership, trust, joint venture, limited liability company, association, or other business entity.

3.1.3 Corporate Documents. The Company has delivered to Parent true and complete copies of the certificate of incorporation and bylaws of the Company in each case as the same may have been amended from time to time (the “Company Charter Documents”). All such Company Charter Documents are unmodified and in full force and effect and the Company is not in violation of any provision of the Company Charter Documents. The Company’s Board of Directors has not approved any amendment of any of the Company Charter Documents. The Company has made available to Parent and its representatives true and complete copies of the stock ledger of the Company and of the minutes (or, in the case of minutes that have not yet been finalized, drafts thereof) of all meetings of the Stockholders, the Board of Directors and each committee of the Board of Directors of the Company held since the Company’s inception.

3.1.4 Officers and Directors. Section 3.1.4 of the Schedule of Exceptions lists all of the current directors and officers of the Company.

The execution, delivery and performance by the Company of this Agreement and the Transaction Agreements to which it is a party and the consummation by it of

the Transactions (including the First Merger) have been duly authorized by the Company’s Board of Directors and no other action on the part of the Company’s Board of Directors or its Stockholders is necessary to authorize the execution, delivery and performance by the Company of this Agreement and the Transaction Agreements to which it is a party and the consummation by it of the Transactions (including the First Merger) except for the Company Stockholder Approval pursuant to the Stockholder Written Consents. The affirmative vote (in person or by proxy) or written consent of the holders of a majority of the outstanding shares of Company Capital Stock (voting together as a single class on an as-converted to common stock basis) and the affirmative vote (in person or by proxy) or written consent of the holders of a majority of the outstanding shares of Company Preferred Stock voting in favor of the adoption of this Agreement (collectively, the “Company Stockholder Approval”) are the only votes or approvals of the holders of any class or series of capital stock of the Company necessary to adopt this Agreement.

3.2.3 Valid and Binding Agreements. This Agreement and each of the other Transaction Agreements to which the Company is a party have been duly executed and delivered by the Company. Assuming due authorization, execution and delivery of this Agreement and the other Transaction Agreements by the other Parties hereto and thereto, this Agreement constitutes, and the other Transaction Agreements shall, when executed and delivered, constitute, the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except to the extent that their enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors’ rights generally and by general equitable principles.

3.2.4 No Conflict. Neither the execution and delivery by the Company of this Agreement and any Transaction Agreement to which the Company is a party, nor the consummation of the Transactions (including the First Merger) or compliance by the Company with any of the terms hereof or thereof, shall conflict with or result in any violation of or default under (with or without notice or lapse of time, or both) or give rise to a right of termination, cancellation, modification or acceleration of any obligation or loss of any benefit or result in the creation of any Lien upon any of the properties or assets (any such event, a “Conflict”) under (i) any provision of the Company Charter Documents or any resolutions adopted by the Company’s Board of Directors or Stockholders, (ii) any Contract to which the Company is a party or by which any of its properties or assets may be bound or affected other than any such Conflicts which, individual or in the aggregate, would not be material or (iii) assuming that the consents and approval referred to in Section 3.4 are obtained and the filings referred to in Section 3.4 are made, any Permit issued to the Company or any Order or Law applicable to the Company or any of its properties or assets (whether tangible or intangible), in each case, in any material respect.

Since incorporation of the Company, the Company has not effected any material change in any method of accounting or accounting practice.

Any such cessation or termination may only be undertaken (i) in accordance with the governing documents and Contracts for the Company Plans (including through plan amendment) and (ii) if such cessation or termination conforms with applicable Laws.

5.10.3 No Third-Party Beneficiaries. This Section 5.10 is not intended to amend any benefit plans or arrangements of Parent or any of its Subsidiaries, to limit the ability of Parent or any of its Subsidiaries to amend, modify or terminate any of such benefit plans or arrangements or to confer third-party beneficiary rights on any Person who is not a Party to this Agreement.

Section 5.11 Restrictive Covenant Agreements. On the date hereof, the Company shall use commercially reasonable efforts to cause each of the Holders listed on Schedule 5.12 (each, a "Restricted Person") to execute and deliver to Parent a Restrictive Covenant Agreement.

Section 5.12 No Negotiations, Etc. The Company shall not and shall cause the Holders and their respective Representatives not to, directly or indirectly solicit, initiate, or enter into any discussions or negotiations or continue in any way any discussions or negotiations with any Person or group of Persons regarding any Competing Transaction (defined below). For purposes of this Section 5.12, "Competing Transaction" means a transaction or a series of related transactions (other than the Transactions, including the First Merger) involving (i) any sale of stock or other equity interests of more than 50% of the capital stock of the Company, (ii) a merger, consolidation, share exchange, business combination, or other similar transaction involving the Company, (iii) any sale, lease, exchange, exclusive license, mortgage, pledge, transfer, or other disposition of the assets of the Company outside the Ordinary Course of Business or (iv) any other transaction or series of transactions which could reasonably preclude the consummation of the Transactions (including the First Merger).

Section 5.13 Release of Claims.

5.13.1 General Release of Claims. Effective as of the Effective Date, each Holder on behalf of itself and each of its equity holders (if any) and each of their respective Subsidiaries, Affiliates, employees, agents, advisors, heirs, legal representatives, successors and assigns (each a "Releasor"), shall completely release, acquit and forever discharge, to the fullest extent permitted by Law, Parent, the Company and their Affiliates and each of their respective current, former and future officers, directors, employees, agents, advisors, successors and assigns (collectively, the "Releasees") from any losses, liabilities, suits, actions, debts or rights, whether fixed or contingent, known or unknown, matured or unmatured, arising out of, relating to, or in any manner connected with any facts, events or circumstances, or any actions taken, at or prior to the consummation of the Transactions (including the First Merger) that any Releasor ever had or now has against the Releasees (collectively, the "Released Matters"); *provided, however*, that the foregoing release shall not cover claims arising from rights of Releasor pursuant to (i) this Agreement or any other agreement, document, certificate or instrument executed or delivered in connection with the Merger Agreement by Parent in favor of such Holder and the Transactions (including the First Merger), (ii) any written indemnification agreement with such Holder or recourse under any directors and officers liability policy of the Company, (iii) any obligations under the Charter Documents as in effect on the date of the Merger Agreement with respect to the indemnification of such Holder, (iv) the Company's existing formal written employee benefit plans, (v) any claim by such Holder who is an employee of the Company at the Effective Time in respect of (1) any ordinary course expense reimbursement amounts owing to such Holder from the Company accruing prior to the Effective Time for expenses incurred prior to the Effective Time, (2) wages, salaries, employee benefits or other cash

compensation payable in the Ordinary Course of Business to the employee that remain unpaid as of the Effective Time, (3) unreimbursed claims under employee health and welfare plans, or (4) the entitlement of Releasor to continuation of coverage benefits or any other similar benefits required to be offered by law, or (vi) any claim which may not be waived as a matter of Law (collectively, the "Release of Claims"). Effective as of the Effective Date, the Representative (on behalf of each Holder) shall not and, to the extent within its control, shall not cause or permit its equity holders or any of their respective Subsidiaries, Affiliates, employees, agents, advisors, heirs, legal representatives, successors and assigns, to assert any claims against the Releasees in respect of the Released Matters. Each of the Holders has (a) represented and warranted that such Holder has (i) had the opportunity to consult with legal counsel of its choice, (ii) been fully informed of the nature and contents of its Release of Claims and (ii) entered into such Release of Claims freely, (b) acknowledged that it would be difficult to fully compensate Parent or any of its Affiliates for damages resulting from any breach of the provisions of such Release of Claims. Accordingly, in the event of any actual or threatened breach of such provisions, Parent and its Affiliates shall (in addition to any other remedies that it may have) be entitled to temporary and/or permanent injunctive relief to enforce such provisions and recover related attorneys' fees and costs. Each Holder has further acknowledged that its Release of Claims constitutes a material inducement to Parent to consummate the Transactions (including the First Merger) and Parent shall be relying on the enforceability of such Release of Claims in consummating such Transactions.

Section 5.14 Indemnification of Directors and Officers.

5.14.1 Parent and Merger Subs agree that all rights to indemnification by the Company for acts or omissions occurring prior to the Effective Time existing as of the date of this Agreement in favor of the current and former directors and officers of the Company (each a "Covered Person") shall be assumed by the Surviving Company in the Mergers and shall survive the Mergers and shall remain in full force and effect and therefore shall be enforceable against the Surviving Company in accordance with their terms following the Effective Time.

7.1.1 By the mutual written consent of the Company and Parent;

“Outside Date”); *provided, however*, that the right to terminate this Agreement under this Section 7.1.2 shall not be available to a Party whose failure to perform any of its obligations under this Agreement has been a principal cause of or directly resulted in the failure of the Mergers to occur on or before the Outside Date.

ARTICLE VIII: SURVIVAL AND INDEMNIFICATION

Section 8.1 Survival. All representations, warranties and pre-closing covenants of the Parties contained in this Agreement or any other Transaction Agreement or in any certificate or Schedule delivered hereunder or thereunder shall survive the Closing until the fifteen-month anniversary of the Closing Date or such later time as such period may be extended by tolling periods and other extensions (the “Initial Survival Date”); provided however that, (a) the representations and warranties contained in Section 3.9 (Taxes) shall survive until 30 days following expiration of the applicable statute of limitations; (b) the representations and warranties contained in Section 3.1 (Organizational Matters), Section 3.2 (Authority; Noncontravention; Voting Requirements), Section 3.3 (Capitalization), Section 3.15 (Intellectual Property), and Section 3.18 (Brokers and Other Advisors) (collectively, the “Company Special Representations”), and the representations and warranties at Section 4.1 (Organization, Standing and Corporate Power), 4.1.1 (Authority; Noncontravention), Section 4.3 (Governmental Approvals), Section 4.4 (Ownership and Operations of Merger Subs), Section 4.5 (Availability of Consideration) and Section 4.8 (Brokers and Other Advisors) (collectively, the “Parent Special Representations” and collectively with the Company Special Representations, the “Special Representations”) shall survive for a period of 10 years after the Closing Date or such later time as may be extended by tolling periods and other extensions and (c) all of the post-closing covenants, agreements and obligations of the Parties contained in this Agreement or any other document, certificate, Schedule or instrument delivered or executed in connection herewith shall survive for a period of 10 years following the Closing Date (the Initial Survival Date or the last day of any of the periods specified in clauses (a), (b) and (c), the “Survival Date”). Notwithstanding the foregoing, if a claim or notice with respect to recovery under the indemnification provisions hereof is given in accordance with the terms hereof prior to the applicable Survival Date, the claim and any representations and warranties or covenants underlying such claim, shall continue until such claim is finally resolved pursuant to the terms of this ARTICLE VIII. Notwithstanding anything in this Agreement to the contrary, claims for fraud, willful misconduct or intentional misrepresentation shall survive indefinitely.

Section 8.2 Indemnification.

8.2.1 Indemnification by Holders. Subject to the terms, conditions and limitations of this ARTICLE VIII, the Holders shall severally (but not jointly) indemnify, defend and hold harmless the Parent Indemnified Persons from and against any and all Losses suffered, sustained or incurred by any

such Parent Indemnified Person, whether or not involving a Third Party Claim, caused by, in connection with, as a result of or arising out of:

(a) any breach of, or misrepresentation or inaccuracy (or any Third Party Claim alleging facts that, if true, would be a breach of, misrepresentation or inaccuracy) in any of the representations or warranties made by the Company in this Agreement or in any other Transaction Agreement to which it is a party, including in any certificate delivered by or on behalf of the Company pursuant hereto, without giving effect to any qualifications as to materiality, Material Adverse Effect, substantial compliance or similar qualifications contained in such representations and warranties;

(b) any breach of or failure to perform any covenant or agreement of the Company provided for in this Agreement or any other Transaction Agreement to which it is a party;

(c) Pre-Closing Taxes;

(d) any Company Transaction Expenses not paid at or prior to the Closing or otherwise allocated for in the Closing Merger Consideration;

(e) any inaccuracy in the Securities Payment Schedule;

(f) any appraisal rights exercised by any Stockholder to the extent not covered by amounts returned to the Parent with respect to Dissenting Shares pursuant to Section 2.9; and

(g) any fraud committed by any Holder or the Company, including any director, officer or Employee of the Company, in connection with the negotiation and execution of this Agreement or the other Transaction Agreements and the consummation of the Transactions (including the First Merger).

8.2.2 Indemnification by the Parent. Subject to the terms, conditions and limitations of this ARTICLE VIII, the Parent shall indemnify, defend and hold harmless the Holder Indemnified Persons from and against any and all Losses suffered, sustained

or incurred by such Holder Indemnified Person, whether or not involving a Third Party Claim, claims between the Parties, or otherwise relating to, as a result of, arising out of, or by virtue of:

(a) any breach of, or misrepresentation or inaccuracy in, any of the representations or warranties made by the Parent or Merger Subs in this Agreement, including in any certificate delivered by or on behalf of the Parent or Merger Subs pursuant hereto, without giving effect to any qualifications as to materiality, Material Adverse Effect, substantial compliance or similar qualifications contained in such representations and warranties; and

(b) any breach of or failure to perform any covenants or agreements of the Parent or Merger Subs provided for in this Agreement or any other Transaction Agreement to which it is a party; *provided, however*, that notwithstanding anything in this Agreement to the contrary, neither the Parent nor the Surviving Company shall be liable to any Holder for any payment inaccuracy if such payment is made in accordance with the Securities Payment Schedule.

8.2.3 General Limitations on Claims. Notwithstanding the foregoing:

(a) (i) the aggregate amount that may be recovered by the Parent Indemnified Persons or the Holder Indemnified Persons for Losses under Section 8.2.1(a) or Section 8.2.2(a) (except with respect to any Special Representations), respectively, shall not exceed the Cap

53

Amount and (ii) the aggregate amount that may be recovered by the Parent Indemnified Persons or the Holder Indemnified Persons for Losses (A) under Section 8.2.1(a) or Section 8.2.2(a) with respect to any Special Representations and (B) Section 8.2.1(b), Section 8.2.2(b) and Section 8.2.1(c), respectively, shall not exceed the Total Merger Consideration actually paid to holders hereunder (with the Parent Common Stock having a deemed value equal to the Average Parent Stock Price as of the Closing Date); *provided, however*, that the indemnification obligations of the Holders and the Parent with respect to Losses arising from or relating to any fraud, willful misconduct or intentional misrepresentation shall not be subject to any limitation;

(b) the Indemnifying Party shall not be liable to any Parent Indemnified Person for Losses under Section 8.2.1(a), 8.2.1(b), 8.2.2(a) or 8.2.2(b), respectively, until the aggregate amount of such Losses exceeds the Deductible, in which event the Indemnifying Party shall only be required to pay or be liable for Losses in excess of the Deductible;

(c) for purposes of determining the amount of any Losses resulting from or in connection with the breach of any representation or warranty made by the Company or any Holder, such representations and warranties shall be read as though none of them were subject to materiality, Material Adverse Effect, substantial compliance or similar qualifications;

(d) notwithstanding anything in this Agreement to the contrary, all indemnification obligations under this ARTICLE VIII shall exclude punitive or exemplary damages (except to the extent that Losses payable to a third party as a result of a Third Party Claim include punitive or exemplary damages);

(e) payments by an Indemnifying Party pursuant to Section 8.2.1 or Section 8.2.2 in respect of any Losses shall be limited to the amount of any liability or damage that remains after deducting therefrom any insurance proceeds and any indemnity, contribution or other similar payment actually received (net of any increase in premiums for such insurance with respect thereto); the Parent Indemnified Person shall use its commercially reasonable efforts to recover under insurance policies or indemnity, contribution or other similar agreements for any Losses; and

(f) (i) any Losses for which any Indemnified Party is entitled to indemnification hereunder shall be determined without duplication of recovery by reason of the state of facts giving rise to such Losses constituting a breach of more than one representation, warranty, covenant or agreement and (ii) no Indemnified Party shall have any indemnification obligations hereunder for any Losses arising out of a breach of or inaccuracy of any representation, warranty, covenant or agreement set forth in this Agreement (and the amount of any such Losses incurred in respect of such breach or inaccuracy shall not be included in the calculation of any limitations on indemnification set forth herein) solely to the extent Losses arising from such matter giving rise to such breach or inaccuracy were included in the determination of the Closing Adjustment Shares, Company Debt, Company Transaction Expenses or Working Capital Adjustment for purposes of determining adjustments to the Closing Merger Consideration.

8.2.4 Holder Limitation. Except (a) with respect to Losses by reason of any claims brought on the basis of fraudulent or willful misconduct or intentional misrepresentation or (b) if the Mergers do not close, in no event shall the Parent Indemnified Persons have the right under this Agreement to recover from any Holder any amounts in excess of the Total Merger Consideration paid to such Holder hereunder.

54

Section 8.3 Claims for Indemnification; Resolution of Conflicts.

8.3.1 Direct Claims for Indemnification. Subject to the limitations set forth above, any Parent Indemnified Person or Holder Indemnified Person (as represented by Holders' Representative) (each, an "Indemnified Person") may seek recovery of Losses pursuant to this Section 8.3.1 not involving a third party by delivering to Holders' Representative (on behalf of the Holder Indemnifying Parties) or the Parent (each, an "Indemnifying Party") as applicable, a written notice (a) stating that an Indemnified Person

has paid, sustained, suffered or incurred a Loss, and (b) specifying in reasonable detail the nature of the Loss, including an estimate (if reasonably apparent) of the amount of the Loss (a “Indemnification Claim Notice”); *provided, however* that (1) the Indemnification Claim Notice need only specify such information to the knowledge of such Indemnified Person as of the date of such Indemnification Claim Notice, (2) shall not limit any of the rights or remedies of any Indemnified Person except to the extent that a material omission or misstatement was knowingly made in bad faith by such Indemnified Person and the Indemnifying Party shall have been materially prejudiced thereby and (3) may be updated and amended from time to time by the Indemnified Person by delivering an updated or amended Indemnification Claim Notice as provided for in the preceding sentence. All claims for indemnification under this Section 8.3 (i) by any Holder Indemnified Person may only be made on behalf of such Holder Indemnified Person by Holders’ Representative and (ii) against any Holder Indemnifying Party shall be addressed to Holders’ Representative. The Indemnifying Party may object to a claim for indemnification set forth in an Indemnification Claim Notice by delivering a notice to the Indemnified Person seeking indemnification within 30 days of the delivery of the applicable Indemnification Claim Notice or in the case of an amended Indemnification Claim Notice, within 30 days of the delivery of the applicable amended Indemnification Claim Notice (the “Indemnification Claim Objection Deadline”), setting forth in reasonable detail the objections to the claim. If the Indemnifying Party either notifies the applicable Indemnified Person that it does not object or does not object in writing by the Indemnification Claim Objection Deadline, such failure to so object shall be an irrevocable acknowledgment that the Indemnified Person is entitled to the full amount of the claims set forth in such Indemnification Claim Notice, and the Indemnifying Party shall take all necessary actions under this Agreement to effect payment in respect thereof.

8.3.2 Resolution of Conflicts.

(a) If an Indemnifying Party timely delivers an Objection Notice in accordance with Section 8.3.1, the Indemnifying Party and the Indemnified Person(s) shall attempt in good faith for 30 days to resolve such dispute. If the Indemnifying Party and the Indemnified Person(s) reach an agreement with respect to such dispute, a memorandum setting forth such agreement shall be prepared and signed by the parties (a “Settlement Memorandum”).

(b) If the Indemnifying Party and the Indemnified Person(s) are unable to resolve such dispute during such 30-day period, any party to such dispute may institute dispute resolution proceedings in accordance with Section 9.14 and Section 9.15 with respect to the matter. Any final and non-appealable written decision, judgment or award rendered by a court of competent jurisdiction as to the validity and amount of any claim in such Indemnification Claim Notice shall be final, binding, and conclusive upon the parties to such dispute and any other Indemnifying Parties and Indemnified Persons.

8.3.3 Third Party Claims.

(a) In the event that any Action is instituted, or that any claim is asserted, by any Person not party to this Agreement in respect of an indemnifiable matter hereunder (a “Third Party Claim”), the Indemnified Person seeking indemnification for any related Loss shall notify in writing the Indemnifying Party of any such Action or claim promptly after receiving notice thereof (each, a “Third

Party Indemnification Claim Notice”); *provided, however*, that no delay on the part of the Indemnified Person in giving any such notice shall relieve an Indemnifying Party of any indemnification obligations unless, and only to the extent that, such Indemnifying Party is actually and materially prejudiced by such delay and then only to the extent of such prejudice. Subject to the provisions of this Section 8.3.3, and assuming the Indemnified Person does not have the right to elect or does not choose to elect in its Third Party Indemnification Claim Notice to assume the defense of the Third Party Claim in accordance with clause (d) of this Section 8.3.3, the Indemnifying Party shall be entitled at its own expense to conduct and control the defense and settlement of such Third Party Claim on behalf of the Indemnified Person through counsel chosen by the Indemnifying Party and reasonably acceptable to the Indemnified Person if the Indemnifying Party notifies the Indemnified Person in writing within 30 days (or sooner, if the nature of the Third Party Claim so requires) of its intent to do so and confirms that the Indemnifying Party shall be obligated to indemnify the Indemnified Person against all resulting Losses in accordance with this Agreement. If the Indemnifying Party does not elect within 30 days (or sooner, if the nature of the Third Party Claim so requires) to defend against, negotiate, settle or otherwise deal with any Third Party Claim, the Indemnified Person may defend against, negotiate, settle or otherwise deal with such Third Party Claim with counsel of its choice at the expense of the Indemnifying Party.

(b) If the Indemnifying Party elects to defend against, negotiate, settle or otherwise deal with any Third Party Claim:

(i) the Indemnifying Party shall use its commercially reasonable efforts to defend such Third Party Claim;

(ii) the Indemnified Person, prior to the period in which the Indemnifying Party assumes the defense of such matter, may take such reasonable actions to preserve any and all rights with respect to such matter, without such actions being construed as a waiver of the Indemnified Person’s rights to defense and indemnification pursuant to this Agreement and without such actions being determinative of the amount of any indemnifiable Losses, except to the extent the Indemnifying Party’s ability to defend such action is actually and materially prejudiced by such actions; and

(iii) the Indemnified Person may participate in the defense of such Third Party Claim with separate counsel at its own expense or, if so requested by the Indemnifying Party or, if in the reasonable opinion of counsel to the Indemnified Person, a conflict or potential conflict exists between the Indemnified Person and the Indemnifying Party that would make such separate representation advisable, at the reasonable expense of the Indemnifying Party.

(c) In connection with this Section 8.3.3, the Parties agree to:

- such Third Party Claim;
- (i) cooperate with each other in connection with the defense, negotiation or settlement of any
 - (ii) make available witnesses in a timely manner to provide testimony through declarations, affidavits, depositions, or at hearing or trial and to work with each other in preparation for such events consistent with deadlines dictated by the particular Third Party Claim;
 - (iii) preserve all documents and things required by litigation hold orders pending with respect to particular Third Party Claims; and
 - (iv) provide such documents and things to each other, consistent with deadlines dictated by a particular matter, as required by legal procedure or court order, or if reasonably

56

requested by another Party hereto;

provided that such cooperation referenced in clauses (i) through (iv) shall not be required if it could reasonably be expected to result in a waiver of any attorney-client, work product or other privilege, and *provided further* that the Parties shall use commercially reasonable efforts to avoid production of confidential information (consistent with Law), and to cause all communications among Employees, counsel and others representing any party to a Third Party Claim to be made so as to preserve any applicable attorney-client or work-product privileges.

(d) Except as permitted in this Section 8.3.3, the Indemnifying Party shall not, without the written consent of the Indemnified Person(s) (such consent not to be unreasonably conditioned, withheld or delayed), settle or compromise any Third Party Claim or permit a default or consent to entry of any judgment (each a "Settlement"); *provided, however*, that an Indemnified Person's written consent shall not be required if (i) the claimant provides such Indemnified Person an unqualified release from all liability in respect of the Third Party Claim, (ii) such Settlement does not impose any additional liabilities or obligations on the Indemnified Person and (iii) with respect to any non-monetary provision of such Settlement, such provisions could not have, or be reasonably expected to have, any adverse effect on the business, assets, financial condition or results of operations of the Indemnified Person and its Subsidiaries, if any. Any Settlement or compromise that does not comply with the preceding sentence shall not be determinative of the amount of Losses with respect to any related claims for indemnification pursuant to this ARTICLE VIII. The costs incurred by Holders' Representative pursuant to participating in the defense of any Third Party Claims shall constitute Holders' Representative Expenses.

(e) Notwithstanding anything in this Agreement to the contrary, if (i) a Third Party Claim seeks relief other than the payment of monetary damages, (ii) the claim for indemnification relates to or arises in connection with any criminal proceeding, action or indictment, or (iii) the Indemnified Person reasonably concludes that the amount of the Third Party Claim and associated defense costs shall exceed the limits on the Indemnifying Party's obligations under Section 8.2.3(a) or the Indemnifying Party's financial resources available to defend against the Third Party Claim, then, in each such case, the Indemnified Person alone shall be entitled to contest, defend and settle such Third Party Claim. If the Indemnified Person elects to exercise such right to contest, defend and settle such Third Party Claim, then the Indemnified Person shall notify the Indemnifying Party of such election within 30 days of the later of (x) receiving the applicable Third Party Indemnification Claim Notice or (y) the occurrence of the event giving rise to the Indemnified Person's right to make such election pursuant to clause (i), (ii) or (iii) of this Section 8.3.3(e). In such event, the Indemnified Person shall instead have the right to be represented by counsel of its choice (of which it shall notify the Indemnifying Party) at the Indemnifying Party's reasonable expense and to defend against, negotiate, settle or otherwise deal with any Third Party Claim. If the Indemnified Person elects to defend against, negotiate, settle or otherwise deal with any Third Party Claim, then (1) the Indemnified Person shall use its commercially reasonable efforts to defend such Third Party Claim, conduct such defense in a good faith and reasonably diligent manner, keep the Indemnifying Party reasonably informed of the status of such defense, and use commercially reasonable efforts to cooperate with the Indemnifying Party with respect to such defense during the course of such defense, and (2) the Indemnifying Party may participate, at its own expense, in the defense of such Third Party Claim. If the Indemnified Person does not elect to contest, defend and settle such Third Party Claim, then the Indemnifying Party shall then have the right to contest and defend such Third Party Claim as described above in Section 8.3.3(a). Notwithstanding the foregoing, any Third Party Claims in respect of Taxes shall be governed by Section 5.8.2 rather than this Section 8.3.3.

8.3.4 Surviving Company. The Parties acknowledge and agree that if the Surviving Company suffers, incurs or otherwise becomes subject to any Losses as a result of or in connection with

57

any misrepresentation or inaccuracy in or breach of any representation, warranty, covenant or agreement, then (without limiting any of the rights of the Surviving Company as an Indemnified Person) the Parent shall also be deemed, by virtue of its ownership of the equity interests of the Surviving Company, to have incurred Losses as a result of and in connection with such misrepresentation, inaccuracy or breach.

8.3.5 Exclusive Remedies. Subject to any claim for fraud and Section 9.9, the parties acknowledge and agree that

their sole and exclusive remedy with respect to any and all claims for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in this Article VIII. In furtherance of the foregoing, each party hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other parties hereto and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in this Article VIII. Nothing in this Section 8.3.5 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled pursuant to Section 9.9.

8.3.6 Indemnification Adjusts Merger Consideration for Tax Purposes. Each Party shall, including retroactively, treat indemnification payments under this Agreement as adjustments to the Closing Merger Consideration and Milestone Payments for Tax purposes to the extent permitted under applicable Law.

8.3.7 No Subrogation. No Holder shall make any claim for indemnification against either the Parent Indemnified Persons or the Surviving Company based on the fact that such Holder was a controlling person, director, Employee or agent of the Company (whether such claim is for Losses of any kind or otherwise and whether such claim is pursuant to Law, a Charter Document, a Contract or otherwise) with respect to any claim brought by a Parent Indemnified Person against any Holder under or relating to this Agreement or any other Transaction Agreement or the Transactions. With respect to any claim brought by a Parent Indemnified Person against any Holder under or relating to this Agreement, any Transaction Agreement or the Transactions, each Holder expressly waives any right of subrogation, contribution, advancement, indemnification or other claim against the Company with respect to any indemnification obligation or any other liability to which such Holder may become subject under or in connection with this Agreement.

8.3.8 Payment of Claims. Claims for indemnification by a Parent Indemnified Person against any Holder pursuant to this ARTICLE VIII will be satisfied (a) first, by reducing the amount of any Milestone Payments then payable but not yet paid by all or a portion of such Losses and (b) second, at the discretion of the Indemnifying Party, in cash or by the forfeiture and automatic transfer to Parent of the number of shares of Parent Common Stock equal in value to the amount of the Losses claimed by the Parent Indemnified Person (based upon the Average Parent Stock Price as of the date of the delivery of the Indemnification Claim Notice).

Section 8.4 Holders' Representative.

8.4.1 Appointment. By virtue of approving the First Merger and the execution of the Support Agreements, each of the Holders shall irrevocably nominate, constitute and appoint Holders' Representative with full power of substitution, to act in the name, place and stead of the Holders for purposes of executing any documents and taking any actions that Holders' Representative may, in its sole discretion, determine to be necessary, desirable or appropriate in connection with any claim for

58

indemnification, compensation or reimbursement under this ARTICLE VIII or set-off in satisfaction of claims. David Maizenberg hereby accepts its appointment as Holders' Representative.

8.4.2 Authority. The Holders grant to Holders' Representative full authority to execute, deliver, acknowledge, certify and file on behalf of each such Holder (in the name of any or all of the Holders or otherwise) any and all documents that Holders' Representative may, in its sole discretion, determine to be necessary, desirable or appropriate, in such forms and containing such provisions as Holders' Representative may, in its sole discretion, determine to be appropriate, in performing its duties as contemplated by this Section 8.4. Notwithstanding anything in any Transaction Agreement to the contrary: (a) each Indemnified Person shall be entitled to deal exclusively with Holders' Representative on all matters relating to any claim for indemnification, compensation, reimbursement or set off pursuant to ARTICLE VIII; and (b) the Parent, each Parent Indemnified Person and each Holder shall be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document executed or purported to be executed on behalf of any Holder by Holders' Representative and on any other action taken or purported to be taken on behalf of any Holder by Holders' Representative as fully binding upon such Holder. A decision, act, consent or instruction of Holders' Representative, including an amendment, extension or waiver of this Agreement pursuant to Section 9.4 or Section 9.5 shall constitute a decision of the Holders and shall be final, binding and conclusive upon the Holders. Parent, Merger Subs, and the Surviving Company may rely upon any such decision, act, consent or instruction of Holders' Representative as being the decision, act, consent or instruction of the Holders. Parent, Merger Subs, and the Surviving Company are hereby relieved from any liability to any Person for any acts done by them in accordance with such decision, act, consent or instruction of Holders' Representative.

8.4.3 Power of Attorney. The Holders recognize and intend that the power of attorney granted to the Holders' Representative: (a) is coupled with an interest and is irrevocable; (b) may be delegated by Holders' Representative; and (c) shall survive the death, dissolution or incapacity, as applicable, of each of the Holders.

8.4.4 Replacement. If Holders' Representative is dissolved, resigns or is otherwise unable to fulfill its responsibilities hereunder, the Holders shall (by consent of those Persons entitled to at least a majority of the Milestone Payments), within ten days after such dissolution, resignation or inability, appoint a successor to Holders' Representative reasonably satisfactory to Parent. Any such successor shall succeed Holders' Representative as Holders' Representative hereunder. If for any reason there is no Holders' Representative at any time, all references herein to Holders' Representative shall be deemed to refer to the Holders who may take action by the written consent of Persons entitled to at least a majority of the Milestone Payments.

8.4.5 Indemnification; Holders' Representative Expenses. The Holders' Representative shall not be liable to the Holders for any action taken or omitted to be taken by it as Holders' Representative except in the case of willful misconduct or gross negligence. The Holders shall severally, but not jointly, indemnify Holders' Representative and hold Holders' Representative harmless

from and against all Holders' Representative Expenses. The foregoing indemnities will survive the Closing, the resignation or removal of the Holders' Representative or the termination of this Agreement.

ARTICLE IX: GENERAL PROVISIONS

Section 9.3 Assignment and Succession. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by any of the Parties without the written consent of the other Parties, except that Parent or Merger Subs may, without the prior consent of any other Party, (a) assign any or all of its rights, interests and obligations under this Agreement to any

Affiliate of Parent, (b) assign this Agreement and any of its rights and obligations hereunder to the purchaser of all or substantially all of its equity securities or assets by merger, contract or otherwise in one transaction or a series of related transactions and (c) collaterally assign this Agreement to any lender; provided that no such assignment shall relieve the assigning party of any of its obligations hereunder. Any assignment of this Agreement or any of the rights, interests or obligations hereunder not permitted under this Section 9.3 shall be null and void ab initio. Subject to the foregoing terms of this Section 9.3, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

Section 9.4 Amendment or Supplement. Subject to the requirements of applicable Law, this Agreement may be amended at any time by execution of an instrument in writing identifying itself as an amendment signed, when amended prior to the Closing, by Parent, Merger Subs and the Company and, when amended on or after the Closing, by Parent, the Surviving Company and Holders' Representative. For purposes of this Section 9.4, the Holders have agreed pursuant to the Support Agreements that any amendment of this Agreement consented to by Holders' Representative shall be binding on and enforceable against them, whether or not they have signed this Agreement or such amendment, except those relating to the Total Merger Consideration, which shall require the vote of 67% of the Holders.

Section 9.5 Waivers. No waiver of any provision of this Agreement shall be valid and binding unless it is in writing and signed by the Party against whom the waiver is to be effective. No failure on the part of any Party in exercising any right, privilege or remedy hereunder and no delay on the part of any Party in executing any right, privilege or remedy under this Agreement, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right hereunder. No notice to or demand on a Party made hereunder shall operate as a waiver of any right of the Party giving such notice or making such demand to take further action without notice or demand as permitted hereunder.

Section 9.6 Entire Agreement. This Agreement, including the Schedules and Exhibits hereto and the other documents referred to herein which form a part hereof, the Confidentiality Agreement and the Support Agreements, contain the entire understanding of the Parties with respect to the subject matter contained herein and therein. This Agreement supersedes all prior and contemporaneous, agreements, arrangements, contracts, discussions, negotiations, undertakings and understandings (whether written or oral) between the Parties with respect to such subject matter (other than the Confidentiality Agreement and the Support Agreements). Upon the Closing, the Confidentiality Agreement shall automatically terminate and none of the Parties shall have any further Liability or obligation thereunder.

Section 9.7 No Third-Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties) any right, benefit or remedy of any nature whatsoever under this Agreement, except (a) that after the Effective Time, Parent Indemnified Persons and Holder Indemnified Persons shall be third party beneficiaries for purposes of enforcing the rights granted to such Parent Indemnified Persons and Holder Indemnified Persons under Section 8.2 and (b) and set forth in Section 5.14. For the avoidance of doubt, no consent of any Indemnified Person shall be necessary to amend any provision of this Agreement.

Section 9.8 Remedies Cumulative. All rights and remedies of each of the Parties shall be cumulative and the exercise of any one or more rights or remedies shall not preclude the exercise of any other right or remedy available hereunder or under applicable Law.

Section 9.9 Specific Performance. The Parties agree that Parent and Merger Subs would be irreparably harmed if any of the provisions of this Agreement are not performed in accordance with their

62

specific terms and that any breach of this Agreement by the Company could not be compensated adequately by monetary damages alone. Accordingly, the Parties agree that, in addition to any other remedy to which they may be entitled to at Law or in equity, Parent and Merger Subs shall be entitled to seek temporary, preliminary and/or permanent injunctive relief or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (including the right of Parent to compel the other Parties to cause the Mergers to be consummated on the terms and subject to conditions set forth in this Agreement) without having to prove irreparable harm or that monetary damages would be inadequate. The Company expressly waives any requirement under any Law that Parent or Merger Subs obtain any bond or give any other undertaking in connection with any action seeking injunctive relief or specific performance of any of the provisions of this Agreement. The Company further agrees that in the event of any action for specific performance relating to this Agreement or the Mergers, it shall not assert and hereby waives the defense that a remedy at Law would be adequate or that specific performance is not an appropriate remedy for any reason in Law or equity.

Section 9.10 Severability. If a court of competent jurisdiction finds that any term or provision of the Agreement is invalid, illegal or unenforceable under any Law or public policy, the remaining provisions of the Agreement shall remain in full force and effect if the economic and legal substance of this Agreement and the Mergers shall not be affected in any manner materially adverse to any Party. Any such term or provision found to be illegal, invalid or unenforceable only in part or in degree shall remain in full force and effect to the extent not invalid, illegal or unenforceable. Upon the determination that any term or provision is invalid, illegal or unenforceable, the Parties intend that such provision shall be construed by modifying or limiting it so as to be valid and enforceable to the maximum extent possible under applicable Law and compatible with the consummation of the Transactions as originally intended.

Section 9.11 Costs and Expenses. Except as otherwise specified herein, whether or not the Mergers are consummated, each Party shall pay all costs and expenses it has incurred in connection with this Agreement and the Mergers.

Section 9.12 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one instrument. The exchange of copies of this Agreement and manually executed signature pages by transmission by facsimile or by email of a PDF of a handwritten original signature or signatures to the other Parties shall constitute effective execution and delivery of this Agreement and may be used in lieu of the original Agreement for all purposes. The signature of a Party transmitted by facsimile or other electronic means shall be deemed to be an original signature for any purpose.

Section 9.13 Governing Law. This Agreement and all claims or causes of action (whether sounding in contract or tort) arising under or related to this Agreement, shall be governed by and construed in accordance with, the Laws of the State of Delaware, without regard to any rule or principle that might refer the governance or construction of this Agreement to the Laws of another jurisdiction.

Section 9.14 Exclusive Jurisdiction; Venue; Service of Process. In any action or proceeding between any of the Parties arising under or related to this Agreement, the other Transaction Agreements or the Mergers, each of the Parties (a) knowingly, voluntarily, irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or to the extent that such court does not accept jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (b) agrees that all claims in respect of any such action or proceeding shall be heard and determined exclusively in accordance with clause (a) of this Section 9.14, (c) waives any objection to the laying of venue of any such action or proceeding in such courts, including any objection that any such action or proceeding has been brought in an inconvenient

63

forum or that the court does not have jurisdiction over any Party and (d) agrees that service of process upon such Party in any such action or proceeding shall be effective if such process is given as a notice in accordance with Section 9.2. The Parties agree that any Party may commence a proceeding in a court other than the above-named courts solely for the purpose of enforcing an order or judgment issued by one of the above-named courts.

Section 9.15 JURY TRIAL. EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY, IRREVOCABLY AND UNDER THE PROFESSIONAL ADVICE OF COUNSEL WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LEGAL ACTION OR PROCEEDING

DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, THE TRANSACTION AGREEMENTS OR THE MERGERS BETWEEN ANY OF THE PARTIES.

Section 9.16 Conflict of Interest. If the Holders' Representative so desires, acting on behalf of the Holders and without the need for any consent or waiver by the Company or Parent, Cooley LLP ("**Cooley**") shall be permitted to represent the Holders after the Closing in connection with any matter, including without limitation, anything related to the transactions contemplated by this Agreement, any other agreements referenced herein or any disagreement or dispute relating thereto. Without limiting the generality of the foregoing, after the Closing, Cooley shall be permitted to represent the Holders, any of their agents and Affiliates, or any one or more of them, in connection with any negotiation, transaction or dispute (including any litigation, arbitration or other adversary proceeding) with Parent, the Company or any of their agents or Affiliates under or relating to this Agreement, any transaction contemplated by this Agreement, and any related matter, such as claims or disputes arising under other agreements entered into in connection with this Agreement, including with respect to any indemnification claims. Upon and after the Closing, the Company shall cease to have any attorney-client relationship with Cooley, unless and to the extent Cooley is specifically engaged in writing by the Company to represent the Company after the Closing and either such engagement involves no conflict of interest with respect to the Holders or the Holders' Representative consents in writing at the time to such engagement. Any such representation of the Company by Cooley after the Closing shall not affect the foregoing provisions hereof.

Section 9.17 Attorney-Client Privilege. The attorney-client privilege of the Company related to the Mergers shall be deemed to be the right of the Holders, and not that of the Surviving Company, following the Closing, and may be waived only by the Holders' Representative. Absent the consent of the Holders' Representative, neither Parent nor the Surviving Company shall have a right to access attorney-client privileged material of the Company related to the Mergers following the Closing (collectively, the "**Protected Material**"). Upon and after the Closing, none of Parent, the Surviving Company, nor their Affiliates shall have any right of access to any communications relating to the Protected Material.

Cerecor to Acquire Ichorion Therapeutics

Transaction worth approximately \$26.5 Million in Stock plus potential milestones accelerates Cerecor's transformation strategy; Strengthens Rare Disease Pipeline and Expands Pediatric Portfolio

BALTIMORE, MD — September 25, 2018 — Cerecor Inc. (NASDAQ: CERC), a biopharmaceutical company focused on becoming a leader in development and commercialization of treatments for orphan disorders, announced today that it has agreed to acquire Ichorion Therapeutics, Inc. Ichorion is a privately-held biopharmaceutical company focused on developing treatments and increasing awareness of inherited metabolic disorders known as Inborn Errors of Metabolism (IEMs). The terms of the agreement include the issuance of approximately 5,800,000 shares of Cerecor common stock at closing, subject to an end of 2019 lock-up, and development milestones worth up to an additional \$15 million, payable either in Cerecor stock or in cash in certain circumstances.

The transaction was unanimously approved by the Board of Directors of both Cerecor and Ichorion and is expected to close later today.

Ichorion has established a unique pipeline of genetically-targeted therapies that complement Cerecor's mission of developing treatments for pediatric and orphan indications. Their pipeline augments the existing neurology assets in Cerecor's pipeline, adding multiple substrate replacement therapies with the potential to leverage the 505(b)(2) pathway to accelerate development and approval. There is the potential for the first 505(b)(2) program's New Drug Application (NDA) to be submitted within calendar year 2020. Ichorion has also expanded a platform chemistry to address IEMs that are unresponsive to traditional substrate replacement. The combined pipeline is exclusively focused on therapeutic approaches that have demonstrated clinical or genetic validation in neurological and pediatric orphan disorders with high unmet medical needs.

Peter Greenleaf, Cerecor's Chief Executive Officer, stated, *"We are extremely excited to complete this acquisition, as these clinical and preclinical assets solidify our pipeline of rare disease and orphan drugs. Specifically, these compounds fit nicely into our Pediatric Portfolio, complementing both our orphan drug pipeline and commercial footprint in Pediatrics. The bonus is the potential for expedited development and approval by taking advantage of the 505(b)(2) hybrid pathway. Two of Ichorion's programs have already been granted Rare Pediatric Disease Designation and are eligible for Priority Review Vouchers upon approval. We also anticipate potential regulatory designations that can further accelerate our ability to put these medicines in the hands of physicians and caregivers to treat children afflicted with these rare diseases."*

Benefits of the Transaction

- **Compelling, non-cash transaction for Cerecor shareholders:** Cerecor continues to build a commercial footprint that provides non-dilutive cash to fund pipeline development. This stock transaction accelerates Cerecor's transformation towards an organization focused on advancing a robust pipeline and bringing new therapies to market.
- **Value creation through pipeline assets:** The integration of Ichorion's substrate replacement therapies enhances the Cerecor rare disease pipeline and broadens a portfolio of pediatric products in development. Two of Ichorion's 505(b)(2) candidates have been granted Rare Pediatric Disease Designation by the FDA, making them eligible to receive Priority Review Vouchers upon approval of an NDA. Under Section 529 to the Federal Food, Drug, and Cosmetic Act (FD&C Act), FDA awards priority review vouchers to sponsors of rare pediatric disease product applications that meet certain criteria. Under this program, a sponsor who receives an approval for a drug or biologic for a "rare pediatric disease" may qualify for a voucher that can be redeemed by the sponsor or another company to receive a priority review of a subsequent marketing application for a different product. The 505(b)(2) pathway provides additional flexibility to draw on existing data resources that can expedite development and approval. Cerecor plans to open INDs for two of these programs in 2019.

Additionally, Ichorion's chemistry platform has generated a preclinical candidate for a rare mitochondrial disorder associated with high pediatric mortality. The platform utilizes a prodrug approach to overcome limitations of direct substrate replacement and the lead candidate is preparing to enter an IND-enabling program.

- **Aligns with Cerecor's Transformation and Innovation Strategy:** Cerecor's pipeline strategy is focused on bringing new products to market for orphan indications in the neurological and pediatric space, two areas ripe for innovative approaches to unmet medical needs. Ichorion's pipeline programs in pediatric rare diseases will supplement Cerecor's existing neurology pipeline including CERC-301, an ongoing clinical development program for neurogenic orthostatic hypotension, CERC-406 for Parkinson's and other diseases, and CERC-611 for rare and more common forms of epileptic seizures. Each program in Cerecor's pipeline takes advantage of clinical or genetic validation of the underlying mechanism-of-action.
- **Commercial Fit:** Ichorion's pipeline aligns with Cerecor's existing commercial efforts focused in Pediatrics. Cerecor's Pediatric

Franchise provides a leading commercial position in an established market and the platform to introduce new products that are transformational for patients. This foothold should help identify patients by increasing awareness through patient advocacy and by educating pediatric healthcare providers on solutions available for patients that can help facilitate diagnosis and treatment.

Extends Cerecor's geographic and commercial reach: The current focus of Cerecor is primarily the U.S., however the addition of the Ichorion assets and the ultra-rare nature of these disorders could provide the opportunity for expansion of the commercial and medical footprint with academic collaborators abroad.

Patrick J. Crutcher, former Chairman of the Board and President of Ichorion, along with Stephen Thomas, PhD, former Chief Scientific Officer of Ichorion, will be joining the Cerecor leadership team. Mr. Crutcher will serve as Vice President, Business Development. Mr. Crutcher brings strategic expertise in corporate and business development, regulatory strategy, competitive intelligence, market analysis, and new business evaluation with a focus orphan drug development. He holds a BSc in Mathematics from University of Illinois and a MSc & CPhil in Statistics from UCLA.

Dr. Stephen Thomas, former Chief Scientific Officer and co-founder of Ichorion, will serve as Vice President, Head of Discovery at Cerecor, overseeing early-stage development and portfolio management of Cerecor's R&D pipeline. Dr. Thomas has extensive experience in drug development for rare and orphan diseases, from discovery to clinical development and regulatory strategy. Dr. Thomas obtained his Ph.D. in Chemistry and Chemical Biology from Columbia University.

Mr. Crutcher commented, *"Both Boards unanimously supported this acquisition based on the potential to build one of the most exciting pipelines in the orphan space while addressing significant medical needs. The strategic fit is evident and the leadership at Cerecor know how to build impactful biopharmaceutical organizations. We are truly excited to join Cerecor in their efforts to develop and commercialize therapies for patients with orphan disorders where we believe we can make an impact, particularly on children and their families."*

Forward-Looking Statements

This press release may include forward-looking statements made pursuant to the Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are subject to significant risks and uncertainties that are subject to change based on various factors (many of which are beyond Cerecor's control), which could cause actual results to differ from the forward-looking statements. Such statements may include, without limitation, statements with respect to Cerecor's plans, objectives, projections, expectations and intentions and other statements identified by words such as "projects," "may," "will," "could," "would," "should," "continue," "seeks," "aims," "predicts," "believes," "expects," "anticipates," "estimates," "intends," "plans," "potential," or similar expressions (including their use in the negative), or by discussions of future matters such as: the development of product candidates or products; timing and success of trial results and regulatory review, potential attributes and benefits of product candidates; the expansion of Cerecor's drug portfolio; and other statements that are not historical. These statements are based upon the current beliefs and expectations of Cerecor's management but are subject to significant risks and uncertainties, including: drug development costs, timing and other risks; Cerecor's cash position and the potential need for it to raise additional capital; risks associated with acquisitions, including the need to quickly and successfully integrate acquired assets and personnel; and those other risks detailed in Cerecor's filings with the Securities and Exchange Commission. Actual results may differ from those set forth in the forward-looking statements. Except as required by applicable law, Cerecor expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in Cerecor's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
